LEASE AGREEMENT

THIS LEASE AGREEMENT, dated as of [*Date*], 2021 (the “Lease”), between the **CITY OF OLIVETTE, MISSOURI**, a home-rule city organized and existing under its charter and the laws of the State of Missouri (the “City”), as lessor, and **OPUS DEVELOPMENT COMPANY, L.L.C.**, a limited liability company organized and existing under the laws of the State of Delaware, or any affiliated entity (including any joint venture) in which Opus Development Company, L.L.C. has an ownership interest, directly or indirectly] (the “Developer”);

RECITALS:

1. The City is authorized and empowered pursuant to the provisions of Article VI, Section 27(b) of the Missouri Constitution and Sections 100.010 through 100.200, inclusive, of the Revised Statutes of Missouri (collectively, the “Act”) and the City Charter to purchase, construct, extend and improve certain projects (as defined in the Act) and to issue industrial development revenue bonds for the purpose of providing funds to pay the costs of such projects and to lease or otherwise dispose of such projects to private persons or corporations for manufacturing, commercial, office industry, warehousing and industrial development purposes upon such terms and conditions as the City deems advisable.

2. Pursuant to the Act, the City Council passed Ordinance No. _____ on _____, 2021 (the “Ordinance”), authorizing the City to issue its Taxable Industrial Revenue Bonds (Opus Development Company, L.L.C. Project), Series 2021, in the maximum principal amount of \$55,000,000 (the “Bonds”), for the purpose of (a) acquiring a leasehold interest in certain real property located on Irvington Court and Reyem Court in the City (as legally described on **Exhibit A**, attached hereto and incorporated herein by reference, the “Project Site”) and (b) constructing thereon a mixed-use development consisting of approximately 207 residential apartments (as more fully described on **Exhibit B**, attached hereto and incorporated herein by reference, the “Project Improvements”).

3. Pursuant to the Act and the Ordinance, the City is authorized to (a) enter into a Trust Indenture of even date herewith (the “Indenture”) with [*Trustee*], as trustee (the “Trustee”), for the purpose of issuing and securing the Bonds, as therein provided, (b) enter into a Base Lease of even date herewith (the “Base Lease”) with the Developer under which the City will acquire a leasehold interest in the Project Site and (c) enter into this Lease with the Developer under which the City will, or will cause the Developer to, construct the Project Improvements and lease the Project Improvements, as they may at any time exist, together with the City’s leasehold interest in the Project Site (collectively, the “Project”) to the Developer in consideration of rental payments by the Developer that will be sufficient to pay the principal of and interest on the Bonds. Upon completion of the Project Improvements, the City will acquire fee title to the Project.

4. The City and the Developer acknowledge and agree that title to the Project is subject and subordinate to the Deed of Trust (the “Fee Deed of Trust”) granted by the Developer to [*Lender*] and its successors and assigns (the “Lender”), pursuant to various loan documents (the “Loan Documents”) evidencing the loan made by the Lender and secured by the Fee Deed of Trust (the “Loan”).

5. In consideration of the terms and conditions of this Lease, the Ordinance, issuance of the Bonds and certain other agreements, the City and the Developer have concurrently herewith entered into a Development and Performance Agreement of even date herewith (the “Development and Performance Agreement”), pursuant to which the Developer has agreed to make certain payments in lieu of taxes.

6. Pursuant to the foregoing, the City desires to lease the Project to the Developer and the Developer desires to lease the Project from the City, for the rentals and upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and the mutual representations, covenants and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the City and the Developer do hereby represent, covenant and agree as follows:

(a) The City is a home-rule city duly organized and validly existing under the laws of the State of Missouri and the City Charter. Under the provisions of the Act, the City has lawful power and authority to enter into the transactions contemplated by this Lease and to carry out its obligations hereunder. By proper action of its City Council, the City has been duly authorized to execute and deliver this Lease, acting by and through its duly authorized officers.

(b) As of the date of delivery hereof, the City agrees to acquire a leasehold interest in the Project Site pursuant to the Base Lease and construct or cause the construction of the Project Improvements. The City agrees to lease the Project to the Developer and sell the Project to the Developer if the Developer exercises its option to purchase the Project or upon termination of this Lease, all for the purpose of furthering the public purposes of the Act.

(c) To the City's knowledge, no member of the City Council or any other officer of the City has any significant or conflicting interest, financial, employment or otherwise, in the Developer or in the transactions contemplated hereby.

(d) To finance the costs of the Project, the City proposes to issue the Bonds, which will be scheduled to mature as set forth in **Article II** of the Indenture and will be subject to redemption prior to maturity in accordance with the provisions of **Article III** of the Indenture.

(e) The Bonds are to be issued under and secured by the Indenture, pursuant to which the Project and the net earnings therefrom, consisting of all rents, revenues and receipts to be derived by the City from the leasing or sale of the Project, will be pledged and assigned to the Trustee as security for payment of the principal of and interest on the Bonds and amounts owing pursuant to this Lease.

(f) The City will not knowingly take any affirmative action that would permit a lien to be placed on the Project or pledge the revenues derived therefrom for any bonds or other obligations, other than the Bonds, except with the written consent of the Authorized Developer Representative; provided, however, the City's execution of this Lease, the Base Lease, the Indenture and the Development and Performance Agreement shall not be deemed to violate this **Section 2.1(f)**.

(g) The City will not operate the Project as a business or in any other manner except as the lessor thereof.

Section 2.2. Representations by the Developer. The Developer makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and authorized to transact business in the State of Missouri.

(b) The Developer has lawful power and authority to enter into this Lease and to carry out its obligations hereunder, and the Developer has been duly authorized to execute and deliver this Lease, acting by and through its duly authorized officers and representatives.

(c) The execution and delivery of this Lease, the consummation of the transactions contemplated hereby, and the performance of or compliance with the terms and conditions of this Lease by the Developer will not, to Developer's knowledge, conflict with or result in a breach of any of the terms, conditions or provisions of, or constitute a default under, any mortgage, deed of trust, lease or any other restrictions or any agreement or instrument to which the Developer is a party or by which it or any of its property is bound, or the Developer's organizational documents, or any order, rule or regulation applicable to the Developer or any of its property of any court or governmental body, or constitute a default under any of the foregoing, or result in the creation or imposition of any prohibited lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Developer under the terms of any instrument or agreement to which the Developer is a party.

(d) The Project will comply in all material respects with all applicable building and zoning, health, environmental and safety orders and laws and all other applicable laws, rules and regulations.

ARTICLE III

GRANTING PROVISIONS

Section 3.1. Granting of Leasehold Estate. The City hereby exclusively rents, leases and lets the Project to the Developer, and the Developer hereby rents, leases and hires the Project from the City, subject to the Base Lease and other Permitted Encumbrances existing as of the date of the execution and delivery hereof, for the rentals and upon and subject to the terms and conditions herein contained. The City and the Developer agree and acknowledge that title to the Project is subject to the lien granted to the Lender by the Developer and no further notice of the Fee Deed of Trust is required for the Lender to have all Lender rights and protections provided herein and in the Indenture.

Section 3.2. Lease Term. This Lease shall become effective upon its execution and delivery. Subject to earlier termination pursuant to the provisions of this Lease, the lease of the Project shall terminate on December 31, 2026.

Section 3.3. Possession and Use of the Project.

(a) The City covenants and agrees that as long as neither the City nor the Trustee has exercised any of the remedies set forth in **Section 12.2** following the occurrence and continuance of an Event of Default, as defined in **Section 12.1**, the Developer shall have sole and exclusive possession of the Project (subject to Permitted Encumbrances and the City's and the Trustee's right of access pursuant

to **Section 10.3**) and shall and may peaceably and quietly have, hold and enjoy the Project during the Lease Term. The City covenants and agrees that it will not take any action, other than expressly pursuant to **Article XII**, the Indenture, the Base Lease and the Development and Performance Agreement to prevent the Developer from having quiet and peaceable possession and enjoyment of the Project during the Lease Term and will, at the request and expense of the Developer, cooperate with the Developer to defend the Developer's quiet and peaceable possession and enjoyment of the Project.

(b) Subject to the provisions of this Section, the Developer shall have the exclusive right to use the Project for any lawful purpose contemplated by the Act and consistent with the terms of the Development and Performance Agreement. The Developer shall comply in all material respects with all statutes, laws, ordinances, orders, judgments, decrees, regulations, directions and requirements of all federal, state, local and other governments or governmental authorities, now or hereafter applicable to the Project, as to the manner of use or the condition of the Project, or that otherwise may be applicable by virtue of the City's interest in the Project Site. The Developer shall also comply with the mandatory requirements, rules and regulations of all insurers under the policies carried under the provisions of **Article VII**. The Developer shall pay all costs, expenses, claims, fines, penalties and damages that may in any manner arise out of, or be imposed as a result of, the failure of the Developer to comply with the provisions of this Section. Notwithstanding any provision contained in this Section, however, the Developer may, at its own cost and expense, contest or review by legal or other appropriate procedures the validity or legality of any such governmental statute, law, ordinance, order, judgment, decree, regulation, direction or requirement, or any such requirement, rule or regulation of an insurer, and during such contest or review the Developer may refrain from complying therewith.

ARTICLE IV

PURCHASE AND CONSTRUCTION OF THE PROJECT

Section 4.1. Issuance of the Bonds. To provide funds for the payment of Project Costs, the City agrees that, upon request of the Developer, it will issue, sell and cause to be delivered the Bonds to the purchaser thereof in accordance with the provisions of the Indenture and the Bond Purchase Agreement.

Section 4.2. Purchase and Construction of the Project. The City and the Developer agree that the Developer, as the agent of the City, shall, but solely from the Project Fund, purchase and construct the Project as follows:

(a) The City will acquire a leasehold interest in the Project Site at the execution hereof. Concurrently with the execution of this Lease, (i) the Base Lease will be executed by the City and the Developer and placed of record, and (ii) the commitment for title insurance or ownership and encumbrance report required by **Article VII** will be delivered to the City and the Trustee.

(b) On behalf of the City, the Developer will purchase and construct the Project Improvements on the Project Site and otherwise improve the Project Site in accordance with the Plans and Specifications. The Developer may revise the Plans and Specifications from time to time as it deems necessary to carry out the Project, but revisions that affect the status of the Project as a "project" under the Act or that would materially alter the accuracy of the description of the Project in the Plan for an Industrial Development Project and Cost/Benefit Analysis distributed under the Act may be made only with the prior written approval of the City. The

Developer agrees that the aforesaid construction and improvement will, with such changes and additions as may be made hereunder, result in facilities suitable for use by the Developer for its purposes, and that all real and personal property described in the Plans and Specifications, with such changes and additions as may be made hereunder, is desirable and appropriate in connection with the Project. The provisions of this paragraph are in addition to and do not supersede any of the provisions of **Article VIII**.

(c) The Developer will comply with the provisions of Section 107.170 of the Revised Statutes of Missouri to the extent applicable to the construction of the Project.

(d) The Developer will cause the purchase and construction of the Project to be completed on or before the Completion Date, except as otherwise provided in **Section 4.5**.

(e) The Project Improvements shall be constructed in a good and workmanlike manner and in strict compliance with all applicable laws, orders and ordinances.

Section 4.3. Project Costs. The City hereby agrees to pay for, but solely from the Project Fund, and hereby authorizes and directs the Trustee to pay for, but solely from the Project Fund, all Project Costs upon receipt by the Trustee of a certificate pursuant to **Section 4.4**. The Developer may not submit any requisition certificates for Project Costs incurred after the Completion Date. The Developer must submit all requisitions for Project Costs incurred before the Completion Date within three months after the Completion Date. The maximum amount of Project Costs for which requisitions may be submitted is expressly limited to \$55,000,000.

Section 4.4. Payment for Project Costs. The City hereby authorizes and directs the Trustee to make disbursements from the Project Fund and endorse the Bonds, upon receipt by the Trustee of certificates in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, signed by the Authorized Developer Representative and approved by the Authorized City Representative. Upon request by the City, the Developer shall provide the City with copies of invoices, bills, lien waivers and other reasonable documentation to support each submitted requisition certificate. The Trustee may rely conclusively on any such certificate and shall not be required to make any independent inspection or investigation in connection therewith. The approval of any requisition certificate by the Authorized Developer Representative and the Authorized City Representative shall constitute, unto the Trustee, an irrevocable determination that all conditions precedent to the payments requested have been completed.

Section 4.5. Establishment of Completion Date. The Completion Date shall be evidenced to the City and the Trustee by a certificate signed by the Authorized Developer Representative stating (a) that the purchase, construction and improving of the Project has been completed in accordance with the Plans and Specifications, (b) the date of completion thereof, and (c) that all costs and expenses of the purchase, construction and improving of the Project have been incurred. Notwithstanding the foregoing, (i) such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being and (ii) such certificate shall be deemed given on July 1, 2025 if not actually filed with the City by July 1, 2025, subject to any delay to the extent caused by force majeure, including, without limitation, damage or destruction by fire or casualty, strike, lockout, civil disorder, war, restrictive government regulations, lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the construction and occupation of the Project, shortage or delay in shipment of material or fuel, acts of God, pandemic, unusually adverse weather or wet soil conditions, or other like causes beyond the Developer's reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of this Lease, the Indenture, the Ordinance or the Project (collectively, a "Permitted

Excuse”). No Permitted Excuse shall be deemed to exist unless the Developer provides a written notice to the City, within 30 days after the Developer has actual notice of the claimed event, specifying the Permitted Excuse. In no event shall a Permitted Excuse extend the Completion Date beyond December 31, 2026. The Developer and the City agree to cooperate in causing such certificate to be furnished to the Trustee.

Section 4.6. Surplus in Project Fund. Upon receipt of the certificate described in **Section 4.5** and payment from the Project Fund of the Project Costs described therein, the Trustee shall, as provided in **Section 504** of the Indenture, transfer any remaining moneys then in the Project Fund to the Bond Fund to be applied as directed by the Developer solely to (a) the payment of principal and premium, if any, of the Bonds through the payment (including regularly scheduled principal payments, if any) or redemption thereof at the earliest date permissible under the terms of the Indenture, or (b) at the option of the Developer, to the purchase of Bonds at such earlier date or dates as the Developer may elect. Any amount so deposited in the Bond Fund may be invested as permitted by **Section 702** of the Indenture.

Section 4.7. Project Property of the City. The Project Site and the Project Improvements located thereon at the execution hereof and which the Developer desires to lease to the City, all work and materials related to the Project as such work progresses, and all additions or enlargements thereto or thereof, the Project as fully completed, anything under this Lease which becomes, is deemed to be, or constitutes a part of the Project, and the Project as repaired, rebuilt, rearranged, restored or replaced by the Developer under the provisions of this Lease, except as otherwise specifically provided herein, shall immediately when erected or installed become the absolute leasehold property of the City, subject only to this Lease, the Indenture, Permitted Encumbrances, the Fee Deed of Trust and the Leasehold Mortgage, if any. Upon reasonable request of and at the expense of the Developer, the City agrees to cooperate with the Developer regarding the enforcement of any claims the Developer may have against third parties relating to the construction and equipping of the Project.

Section 4.8. Non-Project Improvements, Machinery and Equipment Property of the Developer. Any improvements or items of machinery or equipment which do not constitute part of the Project and the entire purchase price of which is paid for by the Developer with the Developer’s own funds, and no part of the purchase price of which is paid for from funds deposited pursuant to the terms of this Lease in the Project Fund, shall be the property of the Developer and shall not constitute a part of the Project for purposes of **Section 6.4** and therefore are subject to taxation, to the extent otherwise provided by law.

ARTICLE V

RENT PROVISIONS

Section 5.1. Basic Rent. The Developer covenants and agrees to pay to the Trustee in same day funds for the account of the City during the Lease Term, on or before 11:00 a.m., Trustee’s local time, on each Payment Date, as Basic Rent for the Project, an amount which, when added to any collected funds then on deposit in the Bond Fund and available for the payment of principal of the Bonds and the interest thereon on such Payment Date, shall be equal to the amount payable on such Payment Date as principal of the Bonds and the interest thereon as provided in the Indenture. Except as offset pursuant to the right of the Developer set forth below, all payments of Basic Rent provided for in this Section shall be paid directly to the Trustee and shall be deposited in accordance with the provisions of the Indenture into the Bond Fund and shall be used and applied by the Trustee in the manner and for the purposes set forth in this Lease and the Indenture. In furtherance of the foregoing, and notwithstanding any other provision

in this Lease, the Base Lease, the Indenture, the Bond Purchase Agreement or the Development and Performance Agreement to the contrary, and provided that the Developer is the sole holder of the Bonds, the Developer may set-off the then-current Basic Rent payment against the City's obligation to the Developer as bondholder to pay principal of and interest on the Bonds under the Indenture in lieu of delivery of the Basic Rent on any Payment Date, without providing notice of such set-off to the Trustee. The Trustee may conclusively rely on the absence of any notice from the Developer to the contrary as evidence that such set-off has occurred and that pursuant to the set-off, the City is deemed to have paid its obligation to the Developer as bondholder to pay principal of and interest on the Bonds under the Indenture. On the final Payment Date, the Developer will (a) if the Trustee holds the Bonds, notify the Trustee of the Bonds not previously paid that are to be canceled or (b) if an entity other than the Trustee holds the Bonds, deliver or cause to be delivered to the Trustee for cancellation Bonds not previously paid. The Developer shall receive a credit against the Basic Rent payable by the Developer in an amount equal to the principal amount of the Bonds so tendered for cancellation plus accrued interest thereon.

Section 5.2. Additional Rent. The Developer shall pay as Additional Rent, within 30 days after receiving an itemized invoice therefor, the following amounts:

(a) all fees, charges and expenses, including agent and counsel fees and expenses, of the City, the Trustee and the Paying Agent incurred under or arising from the Indenture, this Lease, the Base Lease or the Development and Performance Agreement, including, but not limited to, claims by contractors or subcontractors, as and when the same become due;

(b) all costs incident to the issuance of the Bonds (which are to be paid on the Closing Date) and the payment of the principal of and interest on the Bonds as the same become due and payable, including all costs and expenses in connection with the call, redemption and payment of all Outstanding Bonds;

(c) all fees, charges and expenses incurred in connection with the enforcement of any rights under this Lease, the Base Lease, the Indenture or the Development and Performance Agreement by the City, the Trustee or the Owners, including counsel fees and expenses; and

(d) all other payments of whatever nature which the Developer has agreed in writing to pay or assume under the provisions of this Lease, the Base Lease, the Development and Performance Agreement or the Indenture.

Section 5.3. Obligations of the Developer Absolute and Unconditional.

(a) The obligations of the Developer under this Lease to make payments of Basic Rent and Additional Rent on or before the date the same become due, and to perform all of its other obligations, covenants and agreements hereunder shall be absolute and unconditional, without notice or demand, and without abatement, deduction, set-off (except as described in **Section 5.1**), counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Project has been started or completed, or whether the City's title thereto or to any part thereof is defective or nonexistent, and notwithstanding any damage to, loss, theft or destruction of, the Project or any part thereof, any failure of consideration or frustration of commercial purpose, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of the Developer's use thereof, the eviction or constructive eviction of the Developer, any change in the tax or other laws of the United States of America, the State of Missouri or any political subdivision thereof, any change in the City's legal

organization or status, or any default of the City hereunder, and regardless of the invalidity of any action of the City; provided, however, that nothing in this **Section 5.3(a)** or **Section 5.3(b)** is intended or shall be deemed to affect or impair in any way the rights of the Developer to tender Bonds for redemption in satisfaction of Basic Rent as provided in **Section 5.1** and **Section 5.4**, nor the right of the Developer to repurchase the Project and terminate this Lease as provided in **Article XI**.

(b) Nothing in this Lease shall be construed to release the City from the performance of any agreement on its part herein contained or as a waiver by the Developer of any rights or claims the Developer may have against the City under this Lease or otherwise, but any recovery upon such rights and claims shall be had from the City separately, it being the intent of this Lease that the Developer shall be unconditionally and absolutely obligated to perform fully all of its obligations, agreements and covenants under this Lease (including the obligation to pay Basic Rent and Additional Rent) for the benefit of the Owners and the City. The Developer may, however, at its own cost and expense and in its own name or in the name of the City, prosecute or defend any action or proceeding or take any other action involving third Persons which the Developer deems reasonably necessary in order to secure or protect its right of possession, occupancy and use hereunder, and in such event the City hereby agrees, at the Developer's expense, to cooperate fully with the Developer and to take all action necessary to effect the substitution of the Developer for the City in any such action or proceeding if the Developer shall so request.

Section 5.4. Prepayment of Basic Rent.

(a) The Developer may at any time and from time to time prepay all or any part of the Basic Rent provided for hereunder (subject to the limitations of **Section 301(a)** of the Indenture relating to the partial redemption of the Bonds). During such times as the amount held by the Trustee in the Bond Fund shall be sufficient to pay, at the time required, the principal of and interest on all the Bonds then remaining unpaid, the Developer shall not be obligated to make payments of Basic Rent under the provisions of this Lease.

(b) At its option, the Developer may deliver to the Trustee for cancellation Bonds owned by the Developer and not previously paid, and the Developer shall receive a credit against amounts payable by the Developer for the redemption of Bonds in an amount equal to the principal amount of the Bonds so tendered for cancellation, plus accrued interest thereon.

ARTICLE VI

MAINTENANCE, TAXES AND UTILITIES

Section 6.1. Maintenance and Repairs. Throughout the Lease Term the Developer shall, at its own expense, keep the Project in reasonably safe operating condition and keep the Project in good repair, reasonable wear, tear, depreciation and obsolescence excepted, making from time to time all repairs thereto and renewals and replacements thereof it determines to be necessary. Without limiting the generality of the foregoing, the Developer shall at all times remain in compliance with all provisions of the City's code relating to maintenance and appearance. The Developer shall also comply with **Section 8.4**.

Section 6.2. Taxes, Assessments and Other Governmental Charges. The Developer shall promptly pay and discharge, as the same become due, all taxes and assessments, general and special, and other governmental charges of any kind whatsoever that may be lawfully taxed, charged, levied, assessed

or imposed upon or against or be payable for or in respect of the Project, or any part thereof or interest therein (including the leasehold estate of the Developer therein) or any buildings, improvements, machinery and equipment at any time installed on the Project Site by the Developer, or the income therefrom, including any new taxes and assessments not of the kind enumerated above to the extent that the same are lawfully made, levied or assessed in lieu of or in addition to taxes or assessments now customarily levied against real or personal property, and further including all utility charges, assessments and other general governmental charges and impositions whatsoever, foreseen or unforeseen, which if not paid when due would impair the security of the Bonds or encumber the City's title to the Project; provided that with respect to any special assessments or other governmental charges that are lawfully levied and assessed which may be paid in installments, the Developer shall be obligated to pay only such installments thereof as become due and payable during the Lease Term.

Section 6.3. Utilities. All utilities and utility services used by the Developer in, on or about the Project shall be paid by the Developer and shall be contracted by the Developer in the Developer's own name, and the Developer shall, at its sole cost and expense, procure any and all permits, licenses or authorizations necessary in connection therewith.

ARTICLE VII

INSURANCE

Section 7.1. Title Commitment. Before leasing any real property to the City, the Developer will purchase, from a title insurance company reasonably acceptable to the City, a commitment for title insurance or provide such other report in a form reasonably acceptable to the City showing the ownership of and encumbrances on the Project Site. Copies of such report shall be provided to the City and the Trustee.

Section 7.2. Casualty Insurance.

(a) Prior to commencement of construction of the Project Improvements, the Developer shall at its sole cost and expense obtain a policy or policies of insurance (including, if appropriate, builder's risk insurance) to keep the Project constantly insured against loss or damage by fire, lightning and all other risks covered by the extended coverage insurance endorsement then in use in the State of Missouri in an amount equal to the Full Insurable Value thereof (subject to reasonable loss deductible provisions). The insurance required pursuant to this Section shall be maintained from commencement of construction through the Lease Term with a generally recognized responsible insurance company or companies authorized to do business in the State of Missouri or generally recognized international insurers or reinsurers with an A.M. Best rating of not less than "A-" or the equivalent thereof as may be selected by the Developer. The Developer shall deliver certificates of insurance for such policies to the City and the Trustee no later than 30 days after commencement of construction of the Project Improvements and promptly after renewal of each insurance policy. All such policies of insurance pursuant to this Section, and all renewals thereof, shall name the City and the Developer as insureds, as their respective interests may appear, shall name the Trustee as loss payee and shall contain a provision that such insurance may not be canceled by the issuer thereof without at least 10 days' advance written notice to the City, the Developer and the Trustee.

(b) In the event of loss or damage to the Project, the Net Proceeds of casualty insurance carried pursuant to this Section shall be (i) paid over to the Trustee and shall be applied as provided in

Article IX, or (ii) applied as directed by, or on behalf of, the Owners of 100% in principal amount of the Bonds Outstanding, subject to the rights of the Lender under the Loan Documents and any Financing Party under any Financing Document.

Section 7.3. Public Liability Insurance.

(a) The Developer shall at its sole cost and expense maintain or cause to be maintained at all times during the Lease Term commercial general liability insurance (including but not limited to coverage for operations, contingent liability, operations of subcontractors, completed operations and contractual liability), under which the City, the Developer and the Trustee shall be named as additional insureds, properly protecting and indemnifying the City and the Trustee, in an amount not less than the limits of liability set by Section 537.610 of the Revised Statutes of Missouri (subject to reasonable loss deductible clauses not to exceed the amounts normally or generally carried by the Developer). The policies of said insurance shall contain a provision that such insurance may not be canceled by the issuer thereof without at least 10 days' advance written notice to the City, the Developer and the Trustee. Certificates of such policies shall be furnished to the Trustee on the date of execution of this Lease and not less than 30 days before the expiration date of each insurance policy.

(b) In the event of a general liability occurrence, the Net Proceeds of liability insurance carried pursuant to this Section shall be applied toward the extinguishment or satisfaction of the liability with respect to which such proceeds have been paid.

Section 7.4. Blanket Insurance Policies. The Developer may satisfy any of the insurance requirements set forth in this Article by using blanket policies of insurance, provided each and all of the requirements and specifications of this Article respecting insurance are complied with.

Section 7.5. Worker's Compensation. The Developer agrees throughout the Lease Term to maintain or cause to be maintained the worker's compensation coverage required by the laws of the State of Missouri.

Section 7.6. Sovereign Immunity. Notwithstanding anything to the contrary contained herein, nothing in this Lease shall be construed to broaden the liability of the City beyond the provisions of Sections 537.600 to 537.610 of the Revised Statutes of Missouri or abolish or waive any defense at law that might otherwise be available to the City or its officers, agents and employees.

ARTICLE VIII

ALTERATION OF THE PROJECT

Section 8.1. Additions, Modifications and Improvements to the Project. The Developer may make such additions, modifications and improvements in and to any part of the Project as the Developer from time to time may deem necessary or desirable for its business purposes. All additions, modifications and improvements made by the Developer pursuant to this Section shall (a) be made in a good and workmanlike manner and in compliance with all laws, orders and ordinances applicable thereto, and (b) when commenced, be prosecuted to completion with due diligence.

Section 8.2. Additional Improvements on the Project Site. The Developer may, at its sole cost and expense, construct on portions of the Project Site not theretofore occupied by buildings or improvements such additional buildings and improvements as the Developer from time to time may deem

necessary or desirable for its business purposes. All additional buildings and improvements constructed on the Project Site by the Developer, and not paid for with Bond proceeds, pursuant to the authority of this Section shall not be included in the Project and, during the life of this Lease, shall remain the property of the Developer and may be added to, altered or razed and removed by the Developer at any time. All additional buildings and improvements shall be made in a good and workmanlike manner and in compliance with all material laws, orders and ordinances applicable thereto and when commenced shall be prosecuted to completion with due diligence. The Developer covenants and agrees (a) to make any repairs and restorations required to be made to the Project because of the construction of, addition to, alteration or removal of said additional buildings or improvements, and (b) to promptly and with due diligence either raze and remove or repair, replace or restore any of said additional buildings and improvements as may from time to time be damaged by fire or other casualty.

Section 8.3. Permits and Authorizations. The Developer shall not do or permit others under its control to do any work on the Project or any repair, rebuilding, restoration, replacement, modification or addition to the Project, or any part thereof, unless all requisite municipal and other governmental permits and authorizations shall have been first procured. The City agrees to act promptly on all requests for such municipal permits and authorizations. All such work shall be done in a good and workmanlike manner and in compliance with all applicable material building and zoning laws and governmental regulations and requirements, and in accordance with the requirements, rules and regulations of all insurers under the policies required to be carried under the provisions of **Article VII**.

Section 8.4. Mechanics' Liens.

(a) The Developer will not directly or indirectly create, incur, assume or suffer to exist any mechanics' or other similar lien on or with respect to the Project, and the Developer shall promptly notify the City of the imposition of such lien of which the Developer is aware and shall promptly, at its own expense, take such action as may be necessary to fully discharge or release any such lien. Whenever and as often as any mechanics' or other similar lien is filed against the Project, or any part thereof, purporting to be for or on account of any labor done or materials or services furnished in connection with any work in or about the Project, the Developer shall discharge the same of record. Notice is hereby given that the City shall not be liable for any labor or materials furnished the Developer or anyone claiming by, through or under the Developer upon credit, and that no mechanics' or other similar lien for any such labor, services or materials shall attach to or affect the reversionary or other estate of the City in and to the Project or any part thereof.

(b) Notwithstanding **Section 8.4(a)**, the Developer may contest any such mechanics' or other similar lien if the Developer (i) within 60 days after the Developer becomes aware of any such lien notifies the City and the Trustee in writing of its intention so to do, (ii) diligently prosecutes such contest, (iii) at all times effectively stays or prevents any official or judicial sale of the Project, or any part thereof or interest therein, under execution or otherwise, (iv) promptly pays or otherwise satisfies any final judgment adjudging or enforcing such contested lien claim and (v) thereafter promptly procures record release or satisfaction thereof. The Developer may permit the lien so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Developer is notified by the City that, in the opinion of counsel, by nonpayment of any such items, the interest of the City in the Project will be subject to loss or forfeiture. In that event, the Developer shall promptly, at its own expense, take such action as may be reasonably necessary to duly discharge or remove any such lien if the same shall arise at any time. The Developer shall save and hold harmless the City from any loss, costs or expenses the City may incur related to any such contest. The Developer shall reimburse the City for any expense incurred

by it in connection with the imposition of any such lien or in order to discharge or remove any such lien. The City shall cooperate fully with the Developer in any such contest.

ARTICLE IX

DAMAGE, DESTRUCTION AND CONDEMNATION

Section 9.1. Damage or Destruction.

(a) If the Project is damaged or destroyed by fire or any other casualty, whether or not covered by insurance, the Developer, as promptly as practicable, shall either (i) make the determination described in **Section 9.1(f)**, or (ii) repair, restore, replace or rebuild the same so that upon completion of such repairs, restoration, replacement or rebuilding the Project is of a value not less than the value thereof immediately before the occurrence of such damage or destruction or, at the Developer's option, construct upon the Project Site new buildings and improvements thereafter together with all new machinery, equipment and fixtures that are either to be attached to or are to be used in connection with the operation or maintenance thereof, provided that (A) the value thereof shall not be less than the value of such destroyed or damaged Project immediately before the occurrence of such damage or destruction and (B) the nature of such new buildings, improvements, machinery, equipment and fixtures will not impair the character of the Project as a "project" permitted by the Act.

If the Developer elects to construct any such new buildings and improvements, for all purposes of this Lease, any reference to the words "Project Improvements" shall be deemed to also include any such new buildings and improvements and all additions thereto and all replacements and alterations thereof.

Unless the Developer makes the determination described in **Section 9.1 (f)**, the Net Proceeds of casualty insurance required by **Article VII** received with respect to such damage or loss to the Project shall be used to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof, subject to the rights of the Lender under the Fee Deed of Trust and related Loan Documents. Subject to the provisions of the Fee Deed of Trust and related Loan Documents, insurance monies in an amount less than \$100,000 may be paid to or retained by the Developer to be held in trust and used as provided herein. Subject to the provisions of the Fee Deed of Trust and related Loan Documents, insurance monies in an amount of \$100,000 or more shall be (i) paid to the Trustee and deposited in the Project Fund and shall be disbursed as provided in **Section 4.4** to pay the cost of repairing, restoring, replacing or rebuilding the Project or any part thereof, or (ii) if determined by the Owners of 100% in principal amount of the Bonds Outstanding, applied as directed by, or on behalf of, such Owners of 100% in principal amount of the Bonds Outstanding, subject to the rights of the Lender. If the Developer makes the determination described in **Section 9.1 (f)**, the Net Proceeds shall be deposited with the Trustee and used to redeem Bonds as provided in **Section 9.1 (f)**, subject to the rights of the Lender under the Fee Deed of Trust and related Loan Documents.

(b) If any of the insurance monies paid by the insurance company as hereinabove provided remain after the completion of such repairs, restoration, replacement or rebuilding, and this Lease has not been terminated, the excess shall be deposited in the Bond Fund, subject to the rights of the Lender, any leasehold mortgagee or any other Financing Party. Completion of such repairs, restoration, replacement or rebuilding shall be evidenced by a certificate of completion provided to the City and the Trustee. If the Net Proceeds are insufficient to pay the entire cost of such repairs, restoration, replacement or rebuilding, the Developer shall pay the deficiency.

(c) Except as otherwise provided in this Lease, in the event of any such damage by fire or any other casualty, the provisions of this Lease shall be unaffected and the Developer shall remain and continue liable for the payment of all Basic Rent and Additional Rent and all other charges required hereunder to be paid by the Developer, as though no damage by fire or any other casualty has occurred.

(d) The Developer will prosecute or defend any action or proceeding arising out of, or for the collection of any insurance monies that may be due in the event of, any loss or damage.

(e) The Developer agrees to give prompt written notice to the City, the Trustee and the Lender of all fires and any other casualties occurring in, on, at or about the Project Site.

(f) If the Developer determines that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, or if the Developer does not have the right under the Fee Deed of Trust, any Leasehold Mortgage or any other Financing Document to use any Net Proceeds for repair or restoration of the Project, any Net Proceeds of casualty insurance required by **Article VII** received with respect to such damage or loss shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same becomes due, all subject to rights of the Lender under the Loan Documents, any mortgagee under the Leasehold Mortgage (if any) and any Financing Party under the Financing Documents (if any). The Developer agrees to be reasonable in exercising its judgment pursuant to this subsection. Alternatively, if the Developer is the sole owner of the Bonds and it has determined that rebuilding, repairing, restoring or replacing the Project is not practicable or desirable, it may tender Bonds to the Trustee for cancellation in a principal amount equal to the Net Proceeds of the casualty insurance, and retain such proceeds for its own account.

(g) The Developer shall not, by reason of its inability to use all or any part of the Project during any period in which the Project is damaged or destroyed or is being repaired, rebuilt, restored or replaced, nor by reason of the payment of the costs of such rebuilding, repairing, restoring or replacing, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Developer under this Lease or of any other obligations of the Developer under this Lease except as expressly provided in this Section.

(h) The rights of the City and the Trustee in and to any Net Proceeds are and will at all times be subject to the rights of the Lender with respect to such Net Proceeds.

(i) Nothing herein shall be deemed to authorize the Developer to allow an unsafe, dangerous, unhealthy or injurious condition to exist on the Project or any portion thereof, in violation of any applicable laws, codes and ordinances due to a fire or other casualty.

Section 9.2. Condemnation.

(a) If during the Lease Term, title to, or the temporary use of, all or any part of the Project is condemned by or sold under threat of condemnation to any authority possessing the power of eminent domain, to such extent that the claim or loss resulting from such condemnation is greater than \$100,000, the Developer shall, within 90 days after the date of entry of a final order in any eminent domain proceedings granting condemnation or the date of sale under threat of condemnation, notify the City, the Trustee, the Lender, any mortgagee under the Leasehold Mortgage (if any) and any Financing Party under the Financing Documents (if any) in writing as to the nature and extent of such condemnation or loss of title and whether it is practicable and desirable to acquire or construct substitute improvements.

(b) If the Developer determines that such substitution is practicable and desirable, the Developer shall proceed promptly with and complete with reasonable dispatch the acquisition or construction of such substitute improvements, so as to place the Project in substantially the same condition as existed before the exercise of the power of eminent domain, including the acquisition or construction of other improvements suitable for the Developer's operations at the Project (which improvements will be deemed a part of the Project and available for use and occupancy by the Developer without the payment of any rent other than herein provided, to the same extent as if such other improvements were specifically described herein and demised hereby); provided, that such improvements will be acquired by the City subject to no liens, security interests or encumbrances before the lien and/or security interest afforded by the Indenture and this Lease other than Permitted Encumbrances (including, without limitation, any liens held by the Lender in and to the substitute Project). In such case, any Net Proceeds received from any award or awards with respect to the Project or any part thereof made in such condemnation or eminent domain proceedings, or of the sale proceeds, shall be applied in the same manner as provided in **Section 9.1** (with respect to the receipt of casualty insurance proceeds).

(c) If the Developer determines that it is not practicable or desirable to acquire or construct substitute improvements, or if the Developer does not have the right under the Fee Deed of Trust to use any Net Proceeds of condemnation awards received by the Developer, then any Net Proceeds of condemnation awards received by the Developer shall, after payment of all Additional Rent then due and payable, be paid into the Bond Fund and shall be used to redeem Bonds on the earliest practicable redemption date or to pay the principal of any Bonds as the same becomes due and payable, all subject to the rights of the Lender under the Loan Documents, any mortgagee under the Leasehold Mortgage (if any) and any Financing Party under the Financing Documents (if any).

(d) The Developer shall not, by reason of its inability to use all or any part of the Project during any such period of restoration or acquisition nor by reason of the payment of the costs of such restoration or acquisition, be entitled to any reimbursement from the City, the Trustee or the Owners or to any abatement or diminution of the rentals payable by the Developer under this Lease nor of any other obligations hereunder except as expressly provided in this Section.

(e) The City shall cooperate fully with the Developer in the handling and conduct of any prospective or pending condemnation proceedings with respect to the Project or any part thereof, and shall, to the extent it may lawfully do so, permit the Developer to litigate in any such proceeding in the name and on behalf of the City. In no event will the City voluntarily settle or consent to the settlement of any prospective or pending condemnation proceedings with respect to the Project or any part thereof without the prior written consent of the Developer and the Lender.

Section 9.3. Bondowner Approval. Notwithstanding anything to the contrary contained in this **Article IX**, subject to the rights of the Lender, the proceeds of any insurance received subsequent to a casualty or of any condemnation proceedings (or threats thereof) may before the application thereof by the City or the Trustee be applied as directed by the Owners or pledgees of 100% of the principal amount of Bonds Outstanding, subject and subordinate to (a) the rights of the City and the Trustee to be paid all their expenses (including attorneys' fees, trustee's fees and any extraordinary expenses of the City and the Trustee) incurred in the collection of such gross proceeds and (b) the rights of the City to any amounts then due and payable under the Development and Performance Agreement.

ARTICLE X

SPECIAL COVENANTS

Section 10.1. No Warranty of Condition or Suitability by the City; Exculpation and Indemnification. The City makes no warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Developer's purposes or needs. The Developer releases the City and the Trustee from, agrees that the City and the Trustee shall not be liable for and agrees to hold the City and the Trustee harmless against, any loss or damage to property or any injury to or death of any Person that may be occasioned by any cause whatsoever pertaining to the Project or the Developer's use thereof, unless such loss is the result of the City's or the Trustee's negligence or willful misconduct. This provision shall survive termination of this Lease.

Section 10.2. Surrender of Possession. Upon accrual of the City's right of re-entry to the extent provided in **Section 12.2(b)**, the Developer shall peacefully surrender possession of the Project to the City in good condition and repair; provided, however, the Developer may within 90 days (or such later date as the City may agree to) after the termination of this Lease remove from the Project Site any buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Developer and not constituting part of the Project. All repairs to and restorations of the Project required to be made because of such removal shall be made by and at the sole cost and expense of the Developer, and during said 90-day (or extended) period the Developer shall bear the sole responsibility for and bear the sole risk of loss of said buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Developer and not constituting part of the Project. All buildings, improvements, furniture, trade fixtures, machinery and equipment owned by the Developer and which are not so removed from the Project Site before the expiration of said period shall be the separate and absolute property of the City. Notwithstanding the foregoing, if the Developer has paid all obligations due and owing under the Indenture (or such obligations have been canceled), this Lease and the Development and Performance Agreement, the City shall convey the Project in accordance with **Section 11.2**.

Section 10.3. Right of Access to the Project. The City may conduct such periodic inspections of the Project as may be generally provided in the City's municipal code. In addition, the Developer agrees that the City and the Trustee and their duly authorized agents may, at reasonable times during normal business hours and, except in the event of emergencies, upon not less than two Business Days' prior notice, subject to the Developer's usual business, proprietary, safety, confidentiality and security requirements, enter upon the Project Site (a) to examine and inspect the Project without interference or prejudice to the Developer's operations, (b) to monitor the acquisition, construction and installation of the Project pursuant to **Section 4.2** as may be reasonably necessary, (c) to examine all files, records, books and other materials in the Developer's possession pertaining to the acquisition, installation or maintenance of the Project, or (d) upon either (i) the occurrence and continuance of an Event of Default or (ii) the Developer's failure to purchase the Project at the end of the Lease Term, to exhibit the Project to prospective purchasers, lessees or trustees.

Section 10.4. Granting of Easements; Leasehold Mortgages and Financing Arrangements.

(a) Subject to **Sections 10.4(c)** and **(d)**, if no Event of Default under this Lease has happened and is continuing, the City agrees that it will execute and deliver and will cause and direct the Trustee to execute and deliver any instrument necessary or appropriate to confirm and grant, release or terminate any sublease, easement, license, right-of-way or other right or privilege or any such agreement or other arrangement, upon receipt by the City and the Trustee of: (i) a copy of the instrument of grant, release or

termination or of the agreement or other arrangement, (ii) a written application signed by the Authorized Developer Representative requesting such instrument, and (iii) a certificate executed by the Authorized Developer Representative stating that such grant or release is not detrimental to the proper conduct of the business of the Developer, will not impair the effective use or interfere with the efficient and economical operation of the Project, will not materially adversely affect the security intended to be given by or under the Indenture or the Development and Performance Agreement, will be a Permitted Encumbrance, and that the Developer will defend, indemnify and save and hold harmless the City from and against all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, arising from the execution and delivery of any instrument, agreement or other arrangement pursuant to this Section. If no Event of Default has happened and is continuing beyond any applicable grace period, any payments or other consideration received by the Developer for any such grant or with respect to or under any such agreement or other arrangement shall be and remain the property of the Developer; but, subject to **Sections 10.4(c)** and **(d)**, upon (A) termination of this Lease for any reason other than the redemption of the Bonds and/or the purchase of the Project by the Developer or (B) the occurrence and continuance of an Event of Default by the Developer, all rights then existing of the Developer with respect to or under such grant shall inure to the benefit of and be exercisable by the City and the Trustee.

(b) Subject to the Fee Deed of Trust, the Developer may mortgage or grant a deed of trust against the leasehold estate created by this Lease, with prior notice to but without the consent of the City, provided and upon condition that a duplicate original or certified copy or photostatic copy of each such mortgage, and the note or other obligation secured thereby, is delivered to the City within 30 days after the execution thereof. The sale of the Developer's leasehold estate at a foreclosure sale or trustee's sale under the Leasehold Mortgage or any assignment in lieu thereof shall not require the consent of the City, if (i) written notice of the proposed sale or assignment is provided to the City at least 15 days prior thereto, and (ii) before such sale or assignment, all payments then owing to the City under the Development and Performance Agreement are paid.

(c) The City acknowledges and agrees that the Developer may finance and refinance its rights and interests in the Project, this Lease and the leasehold estate created hereby and, in connection therewith and subject to the terms of the Loan Documents, the Developer may execute Financing Documents with one or more Financing Parties. Notwithstanding anything contained to the contrary in this Lease, the Developer may, at any time and from time to time, with prior notice to but without the consent of the City, (i) execute one or more Financing Documents upon the terms contained in this **Section 10.4** and (ii) sublease or assign this Lease, the leasehold estate, any sublease and rights in connection therewith, and/or grant liens or security interests therein, to any Financing Party. Any further sublease or assignment by any Financing Party shall be subject to the provisions of **Section 13.1(c)**.

(d) As long as the Fee Deed of Trust remains outstanding or upon notice by the Developer to the City in writing that the Developer has executed one or more Financing Documents under which it has granted rights in this Lease to a Financing Party, which includes the name and address of such Financing Party, then the following provisions shall apply in respect of each such Financing Party:

(i) there shall be no merger of this Lease or of the leasehold estate created hereby with fee title to the Project, notwithstanding that this Lease or said leasehold estate and said fee title shall be owned by the same Person or Persons, without the prior written consent of each such Financing Party;

(ii) the City shall serve upon each such Financing Party (at the address, if any, provided to the City) a copy of each notice of the occurrence of an Event of Default and each notice of termination given to the Developer under this Lease, at the same time as such notice is

served upon the Developer. No such notice to the Developer shall be effective unless a copy thereof is thus served upon each such Financing Party;

(iii) each such Financing Party shall have the same period of time which the Developer has, after the service of any required notice upon it, plus 30 days, within which to remedy or cause to be remedied any payment default under this Lease which is the basis of the notice, and the City shall accept performance by any Financing Party as timely performance by the Developer;

(iv) the City may exercise any of its rights or remedies with respect to any Event of Default by the Developer, subject to the rights of any Financing Party under this **Section 10.4(d)** as to such Event of Default. Without limiting the generality of the foregoing, the holder of the Fee Deed of Trust may cause the sale of the fee simple interest or the leasehold interest of the Developer to be sold at foreclosure sale conducted in accordance with applicable law and the terms of the Fee Deed of Trust, to accept assignment of this Lease in lieu of foreclosure and to appoint a receiver for the Project, all without obtaining the prior written consent of the City but subject to the provisions of **Section 10.4(b)**;

(v) upon the occurrence and continuance of an Event of Default by the Developer under this Lease, other than a default in the payment of money, the City shall take no action to effect a termination of this Lease by service of a notice or otherwise, without first giving notice thereof to each such Financing Party and permitting each such Financing Party (or its designee, nominee, assignee or transferee) a reasonable time within which to remedy such default in the case of an Event of Default which is susceptible of being cured (provided that the period to remedy such Event of Default shall continue beyond any period set forth in this Lease to effect said cure so long as the Financing Party (or its designee, nominee, assignee or transferee) is diligently prosecuting such cure); provided that the Financing Party (or its designee, nominee, assignee or transferee) shall pay or cause to be paid to the City and the Trustee all expenses, including reasonable counsel fees, court costs and disbursements incurred by the City or the Trustee in connection with any such default;

(vi) each such Financing Party (and its designees, nominees, assignees or transferees) may enter, possess and use the Project at such reasonable times and manner as are necessary or desirable to effectuate the remedies and enforce its rights under its respective Financing Documents;

(vii) except for terminations of this Lease expressly authorized herein, this Lease may not be modified, amended, canceled or surrendered by agreement between the City and the Developer, without prior written consent of each such Financing Party; and

(viii) each such Financing Party may, upon an event of default under any of its respective Financing Documents, on behalf of the Developer and without the consent of the Developer, but only having first caused the redemption of the Bonds, exercise the right to purchase the Project pursuant to **Section 11.1**, upon compliance with the provisions of that Section. The Developer agrees that the City will have no liability for taking direction from any Financing Party in connection with a conveyance of the Project back to the Developer pursuant to **Article XI**.

The City acknowledges that the Lender is a Financing Party and is entitled to the benefits of **Sections 10.4(d)(i)-(viii)**.

(e) In connection with the execution of one or more Financing Documents, upon the request of the Developer, the City agrees to execute such documents as shall be reasonably requested by the Lender or any other Financing Party and which are usual and customary in connection with the closing of the financing or refinancing pursuant to the Financing Documents, including, without limitation, subordination of the City's fee interest in the Project to any new fee deed of trust or any modification of the existing Fee Deed of Trust. Moreover, to facilitate the recordation of a new fee deed of trust or a modification of the existing Fee Deed of Trust, the City agrees to subordinate its leasehold interest in the Project to the Financing Documents. The Developer agrees to reimburse the City for any and all costs and expenses incurred by the City pursuant to this Section, including reasonable attorneys' fees and expenses, in complying with such request.

(f) The Developer's obligations under any mortgage or Financing Document relating to the Project entered into after the date of execution of this Lease (except for any construction loans or other Financing Documents related to the Project that the Developer and the Lender hereafter execute), the execution of which shall be expressly subject to the prior written consent of the Lender in accordance with the Fee Deed of Trust, shall be subordinate to the Developer's obligations under this Lease.

(g) Notwithstanding the foregoing, the City may agree to other provisions and documents requested by the Developer, the Lender or any Financing Party not contemplated by this **Section 10.4**, subject to approval by the City Council.

Section 10.5. Indemnification of City and Trustee. The Developer shall indemnify and save and hold harmless the City and the Trustee and their governing body members, officers, agents and employees from and against all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, by or on behalf of any Person, firm or corporation arising from the issuance of the Bonds and the execution of the Development and Performance Agreement, this Lease (or any instrument requested by the Developer pursuant to **Section 10.4**) or the Indenture and from the conduct or management of, or from any work or thing done in or on the Project during the Lease Term, and against and from all claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, arising during the Lease Term from (a) any condition of the Project, (b) any breach or default on the part of the Developer in the performance of any of its obligations under the Development and Performance Agreement, this Lease, the Base Lease or any related document, (c) any contract entered into in connection with the acquisition, purchase, construction, extension, installation or improvement of the Project, (d) any act of negligence of the Developer or of any of its agents, contractors, servants, employees or licensees, (e) unless the Developer has been released from liability pursuant to **Section 13.1(c)**, any act of negligence of any assignee or sublessee of the Developer, or of any agents, contractors, servants, employees or licensees of any assignee or sublessee of the Developer, (f) obtaining any applicable state and local sales and use tax exemptions for materials or goods that become part of the Project, and (g) any violation of Section 107.170 of the Revised Statutes of Missouri; provided, however, the indemnification contained in **Sections 10.5(a)-(e)** shall not extend (i) to the City to the extent that such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are (A) the result of work being performed at the Project by employees of the City, or (B) the result of negligence or willful misconduct by the City or (ii) to the Trustee to the extent that such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of negligence or willful misconduct by the Trustee. Upon written notice from the City or the Trustee of any such claims or demand, the Developer shall defend them or either of them in any such action or proceeding; provided, that the City shall cooperate with the Developer and provide reasonable assistance in such defense. All costs related to the defense of the City or the Trustee pursuant to this **Section 10.5** shall be paid by the Developer. This

Section 10.5 shall survive any termination of the Development and Performance Agreement and this Lease or the satisfaction and discharge of the Indenture.

Section 10.6. Depreciation, Investment Tax Credit and Other Tax Benefits. This Lease is intended to convey to the Developer all of the benefits and burdens of ownership and to cause the Developer to be treated as the owner of the Project for federal income tax purposes. The Trustee, the Developer and the City agree to treat this Lease in a manner consistent with such treatment. The Developer alone shall be entitled to all of the federal income tax attributes of ownership of the Project, including without limitation the right to claim depreciation, amortization deductions, investment tax credits or any other tax benefits. The City agrees that any depreciation, amortization deductions, investment tax credits or any other tax benefits with respect to the Project or any part thereof shall be made available to the Developer, and the City will fully cooperate with the Developer in any effort by the Developer to avail itself of any such depreciation, amortization deductions, investment tax credit or other tax benefits.

Section 10.7. Developer to Maintain its Existence. The Developer agrees that until the Bonds are paid or payment is provided for in accordance with the terms of the Indenture, it will maintain its corporate existence in good standing, and will not dissolve or otherwise dispose of all or substantially all of its assets; provided, however, that the Developer may, without violating the agreement contained in this Section, consolidate with or merge into another Person or permit one or more other Persons to consolidate with or merge into it, or may sell or otherwise transfer to another Person all or substantially all of its assets as an entirety and thereafter dissolve or convert into a different type of legal entity, if the surviving, resulting or transferee Person expressly assumes in writing all the obligations of the Developer contained in this Lease, and the surviving, resulting or transferee Person either (a) has a long-term debt rating or is controlled by or under common control with an entity with a long-term debt rating in any of the top three long-term debt rating categories by any nationally recognized rating service, (b) is controlled by, under common control with or controls the Developer, or (c) is otherwise approved by the City Council. This Section does not limit the Developer's transfer rights under **Section 13.1**.

Section 10.8. Security Interests. The City and the Developer hereby authorize the Trustee to file all appropriate financing and continuation statements as may be required under the Uniform Commercial Code in order to fully preserve and protect the security of the Owners and the rights of the Trustee under the Indenture. Upon the written instructions of the Owners or pledgees of 100% of the Bonds then-Outstanding, the Trustee shall file all instruments the Owners deem necessary to be filed and shall continue or cause to be continued such instruments for so long as the Bonds are Outstanding. Notwithstanding the foregoing, the Trustee shall not be obligated to file any original instrument unless such instrument has been prepared by an attorney acceptable to the Trustee (any attorneys' fees incurred in connection therewith shall be paid by the Developer), and the Trustee shall not be responsible for the accuracy or sufficiency of any such original instrument. The City and the Developer shall cooperate with the Trustee in this regard by providing such information as the Trustee may require to file or to renew such statements.

Section 10.9. Environmental Matters, Warranties, Covenants and Indemnities Regarding Environmental Matters.

(a) As used in this Section, the following terms have the following meanings:

"Environmental Laws" means any now-existing or hereafter enacted or promulgated federal, state, local, or other law, statute, ordinance, order, rule, regulation or court order pertaining to (i)

environmental protection, regulation, contamination or clean-up, (ii) toxic waste, (iii) underground storage tanks, (iv) asbestos or asbestos-containing materials, or (v) the handling, treatment, storage, use or disposal of Hazardous Substances, including without limitation the Comprehensive Environmental Response, Compensation and Liability Act and the Resource Conservation and Recovery Act, all as amended from time to time.

“Hazardous Substances” means all (i) “hazardous substances” (as defined in 42 U.S.C. §9601(14)), (ii) “chemicals” subject to regulation under Title III of the Superfund Amendments and Reauthorization Act of 1986, as amended from time to time, (iii) natural gas liquids, liquefied natural gas or synthetic gas, (iv) any petroleum, petroleum-based products or crude oil, or (v) any other hazardous or toxic substances, wastes or materials, pollutants, contaminants or any other substances or materials which are included under or regulated by any Environmental Law.

(b) The Developer warrants and represents to the City and the Trustee that to the knowledge of the Developer there are no conditions on the Project Site which materially violate any applicable Environmental Laws and no claims or demands have been asserted or made in writing by any third parties arising out of, relating to or in connection with any Hazardous Substances on, or allegedly on, the Project Site for any injuries suffered or incurred, or allegedly suffered or incurred, by reason of the foregoing.

(c) The Developer will provide the City and the Trustee with copies of any notifications of releases of Hazardous Substances or of any environmental hazards or potential hazards in material violation of Environmental Laws which are given by or on behalf of the Developer to any federal, state or local or other agencies or authorities or which are received by the Developer from any federal, state or local or other agencies or authorities with respect to the Project Site. Such copies shall be sent to the City and the Trustee concurrently with their being mailed or delivered to the governmental agencies or authorities or within 10 days after they are made or received by the Developer. The Developer will provide to the City for review only, any environmental assessments (“Assessments”) and reports regarding the correction or remediation of material environmental issues required by Environmental Laws to be addressed in the Assessments (“Reports”) concerning the Project; upon the completion of the City’s review of the Assessments and the Reports, the City shall immediately return to the Developer all originals and copies of the Assessments and Reports.

(d) The Developer warrants and represents that the Developer has provided the City and the Trustee with copies of all emergency and hazardous chemical inventory forms (hereinafter “Environmental Notices”) showing Hazardous Substances on the Project Site given within two years preceding the date hereof, as of the date hereof, by the Developer to any federal, state or local governmental authority or agency as required pursuant to the Emergency Planning and Community Right-to-Know Act of 1986, 42 U.S.C.A. §11001 *et seq.*, or any other applicable Environmental Laws. The Developer will provide the City and the Trustee with copies of all Environmental Notices concerning Hazardous Substances on the Project Site subsequently sent to any such governmental authority or agency as required pursuant to the Emergency Planning and Community Right-to-Know Act of 1986 or any other applicable Environmental Laws. Such copies of subsequent Environmental Notices shall be sent to the City and the Trustee concurrently with their being mailed to any such governmental authority or agency.

(e) The Developer will comply with and operate and at all times use, keep and maintain the Project and every part thereof (whether or not such property constitutes a facility, as defined in 42 U.S.C. § 9601 *et. seq.*) in material conformance with all applicable Environmental Laws. Without limiting the generality of the foregoing, the Developer will not use, generate, treat, store, dispose of or otherwise introduce any Hazardous Substance into or on the Project or any part thereof nor cause, suffer, allow or permit anyone else to do so except in material compliance with all applicable Environmental Laws.

(f) The Developer agrees to indemnify, protect and hold harmless the City and the Trustee and their directors, officers, shareholders, officials or employees from and against any and all claims, demands, costs, liabilities, damages or expenses, including reasonable attorneys' fees, arising from (i) any release (as defined in 42 U.S.C. § 9601 (22)), actual or alleged, of any Hazardous Substances, upon the Project Site or respecting any products or materials previously, now or thereafter located upon the Project Site, regardless of whether such release or alleged release has occurred before the date hereof or hereafter occurs and regardless of whether such release or alleged release occurs as a result of any act, omission, negligence or misconduct of the Developer or any third party or otherwise (except, with respect to the City, to the extent such release occurs as a result of any negligence or willful misconduct of the City), (ii) (A) any violation now existing or hereafter arising (actual or alleged) of, or any other liability under or in connection with, any applicable Environmental Laws relating to or affecting the Project Site, or (B) any violation now existing or hereafter arising, or any other liability, under or in connection with, any applicable Environmental Laws relating to any products or materials previously, now or hereafter located upon the Project Site, regardless of whether such violation or alleged violation or other liability is asserted or has occurred or arisen before the date hereof or hereafter is asserted or occurs or arises and regardless of whether such violation or alleged violation or other liability occurs or arises, as the result of any act, omission, negligence or misconduct of the Developer or any third party or otherwise (except, with respect to the City, to the extent such violation occurs as a result of any negligence or willful misconduct of the City), (iii) any assertion by any third party of any claims or demands for any loss or injury arising out of, relating to or in connection with any Hazardous Substances on or allegedly on the Project Site, or (iv) any material breach, falsity or failure of any of the representations, warranties, covenants and agreements contained in this Section; provided, however, that the Developer's obligations under this **Section 10.9(f)** shall not apply to the extent such claims, demands, costs, liabilities, damages or expenses, including attorneys' fees, are the result of (1) work being performed at the Project by employees of the City or (2) negligence or willful misconduct by the City or the Trustee. The City shall cooperate with the Developer in the defense of any matters included within the foregoing indemnity without any obligation to expend money. This **Section 10.9(f)** shall survive any termination of this Lease.

ARTICLE XI

OPTION AND OBLIGATION TO PURCHASE THE PROJECT

Section 11.1. Option to Purchase the Project. The Developer shall have, and is hereby granted, the option to purchase all or any portion of the City's interest in the Project at any time, upon payment in full or redemption of the Outstanding Bonds to be redeemed or provision for their payment or redemption having been made pursuant to **Article XIII** of the Indenture. To exercise such option, the Developer shall give written notice to the City and to the Trustee, and shall specify therein the date of closing of such purchase, which date shall be not less than 15 nor more than 90 days from the date such notice is mailed, and, in case of a redemption of the Bonds in accordance with the provisions of the Indenture, the Developer shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption. Notwithstanding the foregoing, if the City or the Trustee provides notice of its intent to exercise its remedies hereunder upon an Event of Default (a "Remedies Notice"), the Developer shall be deemed to have exercised its repurchase option under this Section on the 29th day following the issuance of the Remedies Notice without any further action by the Developer; provided said Remedies Notice has not been rescinded by such date (such option to take place on the 29th day following the issuance of the Remedies Notice). The Developer may rescind such exercise by providing written notice to the City and the Trustee on or before the 29th day and by taking such action as may be required

to cure the default that led to the giving of the Remedies Notice. The purchase price payable by the Developer in the event of its exercise of the option granted in this Section shall be the sum of the following:

(a) an amount of money which, when added to the amount then on deposit in the Bond Fund, will be sufficient to redeem all or a portion of the then-Outstanding Bonds on the earliest redemption date next succeeding the closing date, including, without limitation, principal and interest to accrue to said redemption date and redemption expense; plus

(b) an amount of money equal to the Trustee's and the Paying Agent's agreed to and reasonable fees, charges and expenses under the Indenture accrued and to accrue until such redemption of the Bonds; plus

(c) an amount of money equal to the City's reasonable charges and expenses incurred in connection with the Developer exercising its option to purchase all or a portion of the Project; plus

(d) an amount of money equal to all payments due and payable pursuant to the Development and Performance Agreement through the end of the calendar year in which the date of purchase occurs; plus

(e) the sum of \$10.00.

Section 11.2. Conveyance of the Project. At the closing of the purchase of the Project pursuant to this Article, the City will upon receipt of the purchase price deliver to the Developer the following:

(a) a release from the Trustee of the Project from the lien and/or security interest of the Indenture and this Lease and appropriate termination of financing statements as required under the Uniform Commercial Code; and

(b) such other documents as reasonably necessary to effectuate the conveyance of the Project, including without limitation a termination of the Base Lease and this Lease.

Section 11.3. Relative Position of Option and Indenture. The option to purchase the Project granted to the Developer in this Article shall be and remain prior and superior to the Indenture and may be exercised whether or not the Developer is in default under this Lease; provided that such option will not result in nonfulfillment of any condition to the exercise of any such option (including the payment of all amounts specified in **Section 11.1**) and further provided that the option herein granted shall terminate upon the termination of this Lease.

Section 11.4. Obligation to Purchase the Project. The Developer hereby agrees to purchase, and the City hereby agrees to sell, the Project upon the occurrence of (a) the expiration of the Lease Term following full payment of the Bonds or provision for payment thereof having been made in accordance with the provisions of the Indenture, and (b) the final payment due under the Development and Performance Agreement. The amount of the purchase price under this Section shall be the sum of the items set forth in **Sections 11.1(a)-(e)**. The purchase price shall be paid by the Developer within 90 days of the expiration of the Lease Term.

Section 11.5. Right to Set-Off. At its option, to be exercised at least five days before the date of closing such purchase, the Developer may deliver to the Trustee for cancellation Bonds not previously paid, and the Developer shall receive a credit against the purchase price payable by the Developer in an amount equal to 100% of the principal amount of the Bonds so delivered for cancellation, plus the accrued interest thereon. The Developer may set-off any payment obligation under **Section 11.1(a)** by tendering a corresponding amount of the Bonds to the Trustee for cancellation.

ARTICLE XII

DEFAULTS AND REMEDIES

Section 12.1. Events of Default. If any one or more of the following events occurs and is continuing, it is hereby defined as and declared to be and to constitute an “Event of Default” under this Lease:

(a) default in the due and punctual payment of Basic Rent or Additional Rent within 10 days after written notice thereof from the City to the Developer and the Lender; or

(b) default in the due observance or performance of any other covenant, agreement, obligation or provision of this Lease on the Developer’s part to be observed or performed, and such default continues for 60 days after the City or the Trustee has given the Developer and the Lender written notice specifying such default (or such longer period as is reasonably required to cure such default, provided that (i) the Developer or the Lender, as applicable, has commenced such cure within said 60-day period, and (ii) the Developer or the Lender, as applicable, diligently prosecutes such cure to completion); or

(c) the Developer: (i) admits in writing its inability to pay its debts as they become due; or (ii) files a petition in bankruptcy or for reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the Bankruptcy Code as now or in the future amended or any other similar present or future federal or state statute or regulation, or files a pleading asking for such relief; or (iii) makes an assignment for the benefit of creditors; or (iv) consents to the appointment of a trustee, receiver or liquidator for all or a substantial portion of its property or fails to have the appointment of any trustee, receiver or liquidator made without the Developer’s consent or acquiescence, vacated or set aside; or (v) is finally adjudicated as bankrupt or insolvent under any federal or state law; or (vi) is subject to any proceeding, or suffers the entry of a final and non-appealable court order, under any federal or state law appointing a trustee, receiver or liquidator for all or a substantial portion of its property or ordering the winding-up or liquidation of its affairs, or approving a petition filed against it under the Bankruptcy Code, as now or in the future amended, which order or proceeding, if not consented to by it, is not dismissed, vacated, denied, set aside or stayed within 90 days after the day of entry or commencement; or (vii) suffers a writ or warrant of attachment or any similar process to be issued by any court against all or any substantial portion of its property, and such writ or warrant of attachment or any similar process is not contested, stayed or released within 60 days after the final entry, or levy or after any contest is finally adjudicated or any stay is vacated or set aside; or

(d) an Event of Default under the Development and Performance Agreement, as defined in **Section 5.1** thereof.

The Trustee shall give the Lender notice of the occurrence of any Event of Default of which the Trustee has notice pursuant to the terms of the Indenture. The Lender may, at its election, but shall have no obligation to, cure such Event of Default.

Section 12.2. Remedies on Default. If any Event of Default referred to in **Section 12.1** has occurred and continues beyond the period provided to cure, then the City may at the City's election (subject, however, to any restrictions against acceleration of the maturity of the Bonds or termination of this Lease in the Indenture), then or at any time thereafter, and while such default continues, take any one or more of the following actions, in addition to the remedies provided in **Section 12.5**:

(a) cause all amounts payable with respect to the Bonds for the remainder of the term of this Lease to become due and payable, as provided in the Indenture; or

(b) give the Developer written notice of intention to terminate this Lease on a date specified therein, which date shall not be earlier than 60 days after such notice is given, and if all defaults have not then been cured, on the date so specified, the Owners shall tender or be deemed to have tendered the Outstanding principal amount of the Bonds for cancellation with instruction that such tender is in lieu of payment in accordance with **Sections 11.1 and 11.5**, the Developer's or the Lender's rights to possession of the Project shall cease and this Lease shall thereupon be terminated, and the City may re-enter and take possession of the Project or the City may convey the Project to the Developer and bring an action against the Developer for the purchase price of the Project under **Section 11.1**; provided, however, if the Developer has paid all obligations due and owing under the Indenture, this Lease, the Base Lease and the Development and Performance Agreement, the City shall convey the Project in accordance with **Section 11.2**. The Developer's rights to cause the conveyance of the Project in accordance with **Section 11.2** shall survive the expiration or termination of this Lease.

If the City defaults on any of its obligations under this Lease, the Developer's sole remedy for such default shall be to sue for specific performance of this Lease.

Section 12.3. Survival of Obligations. The Developer covenants and agrees with the City and Owners that its obligations under this Lease shall survive the cancellation and termination of this Lease, for any cause, and that the Developer shall continue to pay the Basic Rent and Additional Rent (to the extent the Bonds remain Outstanding) and perform all other obligations provided for in this Lease, all at the time or times provided in this Lease; provided, however, that except for the indemnification contained in **Section 10.5**, upon the payment of all Basic Rent and Additional Rent required under **Article V**, and upon the satisfaction and discharge of the Indenture under **Section 1301** thereof, and upon the Developer's exercise of the purchase option contained in **Article XI**, the Developer's obligations under this Lease shall thereupon cease and terminate in full, except that obligations with respect to indemnification of the City and the Trustee shall not so terminate.

Section 12.4. Performance of the Developer's Obligations by the City. Upon an Event of Default, the City, or the Trustee in the City's name, may (but shall not be obligated so to do) upon the continuance of such failure on the Developer's part for 60 days after written notice of such failure is given to the Developer by the City or the Trustee, and without waiving or releasing the Developer from any obligation hereunder, as an additional but not exclusive remedy, make any such payment or perform any such obligation, and all reasonable sums so paid by the City or the Trustee and all necessary incidental reasonable costs and expenses incurred by the City or the Trustee (including, without limitation, attorneys' fees and expenses) in performing such obligations shall be deemed Additional Rent and shall be paid to the City or the Trustee on demand, and if not so paid by the Developer, the City or the Trustee

shall have the same rights and remedies provided for in **Section 12.2** in the case of default by the Developer in the payment of Basic Rent.

Section 12.5. Rights and Remedies Cumulative. The rights and remedies reserved by the City and the Developer hereunder are in addition to those otherwise provided by law and shall be construed as cumulative and continuing rights. No one of them shall be exhausted by the exercise thereof on one or more occasions. The City and the Developer shall each be entitled to specific performance and injunctive or other equitable relief for any breach or threatened breach of any of the provisions of this Lease, notwithstanding the availability of an adequate remedy at law, and each party hereby waives the right to raise such defense in any proceeding in equity. Notwithstanding anything in this **Section 12.5** or elsewhere in this Lease to the contrary, however, the Developer's option to re-purchase the property as provided in **Article XI** above shall not be terminated upon an Event of Default unless and until this Lease is terminated to the extent permitted pursuant to **Section 12.2(b)**. The parties agree that no provision of this Lease shall be construed to allow the City to require the Developer to acquire, construct or install the Project.

Section 12.6. Waiver of Breach. No waiver of any breach of any covenant or agreement herein contained shall operate as a waiver of any subsequent breach of the same covenant or agreement or as a waiver of any breach of any other covenant or agreement, and in case of a breach by the Developer of any covenant, agreement or undertaking by the Developer, the City may nevertheless accept from the Developer any payment or payments hereunder without in any way waiving the City's right to exercise any of its rights and remedies provided for herein with respect to any such default or defaults of the Developer which were in existence at the time such payment or payments were accepted by the City.

Section 12.7. Trustee's Exercise of the City's Remedies. Whenever any Event of Default has occurred and is continuing, the Trustee may, but except as otherwise provided in the Indenture shall not be obliged to, exercise any or all of the rights of the City under this Article, upon notice as required of the City unless the City has already given the required notice. In addition, the Trustee shall have available to it all of the remedies prescribed by the Indenture.

ARTICLE XIII

ASSIGNMENT AND SUBLEASE

Section 13.1. Assignment; Sublease.

(a) The Developer may assign, transfer, encumber or dispose of this Lease or any interest herein or part hereof for any lawful purpose under the Act. Except as otherwise provided in this Section, the Developer must obtain the City's prior written consent before any such disposition, unless such disposition is to (i) Opus Development Company, L.L.C. or any affiliated entity (including any joint venture) in which Opus Development Company, L.L.C. has an ownership interest, directly or indirectly or (ii) the Lender. Notwithstanding the foregoing, the Lender may sell at foreclosure sale or by deed in lieu of foreclosure, the interest of the Developer in this Lease.

(b) With respect to any assignment, the Developer or the Lender, as applicable, shall comply with the following conditions:

- (i) the Developer shall notify the City of the assignment in writing;

(ii) such assignment shall be duly executed and acknowledged by the assignor and in proper form for recording;

(iii) such assignment shall include the entire then unexpired term of this Lease; and

(iv) a duplicate original of such assignment shall be delivered to the City and the Trustee within 10 days after the execution thereof, together with an assumption agreement, duly executed and acknowledged by the assignee and in proper form for recording, by which the assignee shall assume all of the terms, covenants and conditions of this Lease on the part of the Developer to be performed and observed.

(c) Any assignee of all the rights of the Developer shall agree to be bound by the terms of this Lease, the Base Lease, the Development and Performance Agreement and any other documents related to the issuance of the Bonds. Upon such assignment of all the rights of the Developer and agreement by the assignee to be bound by the terms of this Lease, the Base Lease, the Development and Performance Agreement and any other documents related to the Bonds, the Developer shall be released from and have no further obligations under this Lease, the Base Lease, the Development and Performance Agreement or any other document related to the issuance of the Bonds.

(d) Notwithstanding the foregoing, the Developer may, in its ordinary course of business, sublease all or portions of the Project to tenants without the prior consent of the City so long as the Developer remains obligated to perform all of its obligations under this Lease, the Base Lease and the Development and Performance Agreement.

Section 13.2. Assignment of Revenues by City. The City shall assign and pledge any rents, revenues and receipts receivable under this Lease, to the Trustee pursuant to the Indenture as security for payment of the principal of and interest and premium, if any, on the Bonds, and the Developer hereby consents to such pledge and assignment.

Section 13.3. Prohibition Against Leasehold Mortgage of Project. The City shall not mortgage its leasehold interest in the Project but may assign its interest in and pledge any moneys receivable under this Lease to the Trustee pursuant to the Indenture as security for payment of the principal of and interest on the Bonds.

Section 13.4. Restrictions on Sale or Encumbrance of Project by City. During the Lease Term, the City agrees that, except to secure the Bonds to be issued pursuant to the Indenture and except to enforce its rights under **Section 12.2(b)**, it will not sell, assign, encumber, mortgage, transfer or convey the Project or any interest therein.

ARTICLE XIV

AMENDMENTS, CHANGES AND MODIFICATIONS

Section 14.1. Amendments, Changes and Modifications. Except as otherwise provided in this Lease or in the Indenture, subsequent to the issuance of the Bonds and before the payment in full of the Bonds (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), this Lease may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the Trustee, given in accordance with the provisions of the Indenture, which consent, however, shall not be unreasonably withheld, and the written consent of all of the Owners, the Lender and any other Financing Party.

Wherever in this Lease it is provided that the City shall, may or must give its approval or consent, or execute supplemental agreements or schedules, the City shall not unreasonably, arbitrarily or unnecessarily withhold or refuse to give such approvals or consents or refuse to execute such supplemental agreements or schedules; provided, however, that nothing in this Lease shall be interpreted to affect the City's rights to approve or deny any additional project or matter unrelated to the Project subject to zoning, building permit or other regulatory approvals by the City.

Section 15.3. Net Lease. The parties hereto agree (a) that this Lease shall be deemed and construed to be a net lease, (b) that the payments of Basic Rent are designed to provide the City and the Trustee funds adequate in amount to pay all principal of and interest accruing on the Bonds as the same becomes due and payable, (c) that to the extent that the payments of Basic Rent are not sufficient to

Section 15.7. Severability. If for any reason any provision of this Lease shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

Section 15.8. Execution in Counterparts. This Lease may be executed in several counterparts, each of which shall be deemed to be an original and all of which shall constitute but one and the same instrument.

Section 15.9. Electronic Transaction. The parties agree that the transaction described herein may be conducted and related documents may be sent, received or stored by electronic means.
