The City is authorized and empowered pursuant to the provisions of Article VI, Section 27(b) of the Missouri Constitution and Sections 100.010 through 100.200 of the Revised Statutes of Missouri (collectively, the “Act”) and the City Charter to purchase, construct, extend and improve certain projects (as defined in the Act) and to issue industrial development revenue bonds for the purpose of providing funds to pay the costs of such projects and to lease or otherwise dispose of such projects to private persons or corporations for manufacturing, commercial, office industry, warehousing and industrial development purposes upon such terms and conditions as the City deems advisable.

2. Pursuant to the Act, the City Council passed Ordinance No. _____ on _____, 2021 (the “Ordinance”), authorizing the City to issue its Taxable Industrial Revenue Bonds (Opus Development Company, L.L.C. 3. Pursuant to the Act and the Ordinance, the City is authorized to (a) enter into this Indenture with the Trustee for the purpose of issuing and securing the Bonds, as herein provided, (b) enter into a Base Lease of even date herewith (the “Base Lease”) with [Opus Development Company, L.L.C., a Delaware limited liability company or any affiliated entity (including any joint venture) in which Opus Development Company, L.L.C. has an ownership interest, directly or indirectly] (the “Developer”), under which the City will acquire a leasehold interest in the Project Site and (c) enter into a Lease Agreement of even date herewith (the “Lease”) with the Developer under which the City will, or will cause the Developer to, construct the Project Improvements and lease the Project Improvements, as they may at any time exist, together with the City’s leasehold interest in the Project Site (collectively, the “Project”), to the Developer in consideration of rental payments by the Developer that will be sufficient to pay the principal of and interest on the Bonds. Upon completion of the Project Improvements, the City will acquire fee title to the Project.

4. The payment of principal on the Bonds shall be noted on the Bonds on **Schedule I** thereto and the registration books maintained by the Trustee pursuant to **Section 206**. Payment of the interest on the Bonds shall be made by the Trustee on each Payment Date to the Person appearing on the registration books of the Trustee hereinafter provided for as the Owner thereof on the fifteenth day (whether or not a Business Day) of the calendar month next preceding such Payment Date by check or draft mailed to such Owner at such Owner’s address as it appears on such registration books.

(c) The Bonds and the original **Schedule I** thereto shall be held by the Trustee in trust, unless otherwise directed in writing by the Owner. If the Bonds are held by the Trustee, the Trustee shall, on each Payment Date, send a revised copy of **Schedule I** via facsimile or other electronic means to the Owner, the Developer (if not the Owner) and the City. Absent manifest error, the amounts shown on

Schedule I as noted by the Trustee shall be conclusive evidence of the principal amount paid on the Bonds.

(d) If there is one Owner of the Bonds, the Trustee is authorized to make the final or any interim payments of principal on such Bonds by internal bank transfer or by electronic transfer to an account at a commercial bank or savings institution designated in writing by such Owner and located in the United States. The Trustee is also authorized to make interest payments on such Bonds by internal bank transfer or by electronic transfer to an account at a commercial bank or savings institution designated by such Owner and located in the United States.

(e) If the Developer is the sole Owner of the Bonds, then the Developer may set-off its obligation to the City as lessee to pay Basic Rent under the Lease against the City's obligations to the Developer as the bondholder to pay principal of and interest on the Bonds under this Indenture. The Trustee may conclusively rely on the absence of any notice from the Developer to the contrary as evidence that such set-off has occurred and that pursuant to the set-off, the Developer is deemed to have paid its obligation to the City as lessee to pay Basic Rent under the Lease and the City is deemed to have paid its obligation to the Developer as bondholder to pay principal of and interest on the Bonds under this Indenture. On the final Payment Date, the Developer may deliver to the Trustee for cancellation the Bonds and the Developer shall receive a credit against the Basic Rent payable by the Developer under **Section 5.1** of the Lease in an amount equal to the remaining principal of the Bonds so tendered for cancellation plus accrued interest thereon.

Section 205. Execution and Authentication of Bonds.

(a) The Bonds shall be executed on behalf of the City by the manual or facsimile signature of its Mayor or City Manager and attested by the manual or facsimile signature of its City Clerk, and shall have the corporate seal of the City affixed thereto or imprinted thereon. If any officer whose signature or facsimile thereof appears on the Bonds ceases to be such officer before the delivery of such Bonds, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such Person had remained in office until delivery. Any Bond may be signed by such Persons as at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such Persons may not have been such officers.

(b) The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in **Exhibit C**, which shall be manually executed by the Trustee. No Bond shall be entitled to any security or benefit under this Indenture or shall be valid or obligatory for any purposes until such Certificate of Authentication has been duly executed by the Trustee. The executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by any authorized signatory of the Trustee.

Section 206. Registration, Transfer and Exchange of Bonds.

(a) The Trustee shall keep books for the registration and for the transfer of Bonds as provided in this Indenture.

(b) The Bonds may be transferred to an Approved Investor only upon the books kept for the registration and transfer of Bonds upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by an assignment duly executed by the Owner or such Owner's attorney or legal

representative in such form as shall be satisfactory to the Trustee. In connection with any such transfer of the Bonds, the City and the Trustee shall receive an executed representation letter signed by the proposed assignee in substantially the form of **Exhibit D** attached hereto and incorporated herein by reference. Upon any such transfer, the City shall execute and the Trustee shall authenticate and deliver in exchange for such Bond a new fully-registered Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this Indenture, in an aggregate principal amount equal to the Outstanding principal amount of such Bond, of the same maturity and bearing interest at the same rate.

(c) In all cases in which Bonds are exchanged or transferred hereunder the provisions of any legend restrictions on the Bonds shall be complied with and the City shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee. The City or the Trustee may make a reasonable charge for every such exchange or transfer of Bonds sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and such charge shall be paid before any such new Bond shall be delivered. Neither the City nor the Trustee shall be required to make any such exchange or transfer of Bonds during the 15 days immediately preceding a Payment Date on the Bonds or, in the case of any proposed redemption of Bonds, during the 15 days immediately preceding the selection of Bonds for such redemption or after such Bonds or any portion thereof has been selected for redemption.

(d) If any Owner fails to provide a certified taxpayer identification number to the Trustee, the Trustee may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure, which amount may be deducted by the Trustee from amounts otherwise payable to such Owner under such Owner's Bond.

Section 207. Persons Deemed Owners of Bonds. As to any Bond, the Person in whose name the same is registered as shown on the bond registration books required by **Section 206** shall be deemed and regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any such Bond shall be made only to or upon the order of the Owner thereof or a legal representative thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

Section 208. Authorization of the Bonds.

(a) The Bonds are authorized in the aggregate maximum principal amount of \$55,000,000 for the purpose of providing funds to pay Project Costs, which Bonds shall be designated the "City of Olivette, Missouri, Taxable Industrial Revenue Bonds (Opus Development Company, L.L.C. Project), Series 2021." The Bonds shall be dated as provided in **Section 203(b)**, shall become due on December 1, 2025 (subject to prior redemption as provided in **Article III**) and shall bear interest as specified in **Section 208(f)**, payable on the dates specified in **Section 208(f)**.

(b) The Trustee is hereby designated as the Paying Agent. The Owners of a majority of Bonds then-Outstanding may designate a different Paying Agent upon written notice to the City and the Trustee.

(c) The Bonds shall be executed without material variance from the form and in the manner set forth in **Exhibit C** and delivered to the Trustee for authentication. Prior to or simultaneously with the

authentication and delivery of the Bonds by the Trustee, there shall be filed with the Trustee the following:

(1) An original or certified copy of the ordinance passed by the City Council authorizing the issuance of the Bonds and the execution of this Indenture, the Development and Performance Agreement, the Bond Purchase Agreement, the Base Lease, and the Lease;

(2) Executed counterparts or copies of this Indenture, the Development and Performance Agreement, the Bond Purchase Agreement, the Base Lease and the Lease;

(3) A representation letter from the Purchaser in substantially the form attached as **Exhibit D**;

(4) A request and authorization to the Trustee on behalf of the City, executed by the Authorized City Representative, to authenticate the Bonds and deliver the same to or at the written direction of the Purchaser upon payment to the Trustee, for the account of the City, of the purchase price thereof specified in the Bond Purchase Agreement. The Trustee shall be entitled to conclusively rely upon such request and authorization as to the name of the Purchaser and the amount of such purchase price; and

(5) Such other certificates, statements, receipts and documents as the Trustee shall reasonably require for the delivery of the Bonds.

(d) When the documents specified in subsection (c) of this Section have been filed with the Trustee, and when the Bonds have been executed and authenticated as required by this Indenture, either:

(1) The Purchaser shall pay the Closing Price to the Trustee, and the Trustee shall endorse the Bonds in an amount equal to the Closing Price and then either hold the Bonds in trust or if so directed in writing deliver the Bonds to or upon the order of the Purchaser; or

(2) The Developer shall submit a requisition certificate in accordance with **Section 4.4** of the Lease, in an amount equal to the Closing Price, and the Trustee shall authenticate and endorse the Bonds in an amount equal to the Closing Price and then either hold the Bonds in trust or if so directed in writing deliver the Bonds to the Developer (or another purchaser designated by the Developer).

In either case, the Purchaser shall be deemed to have paid over to the Trustee, and the Trustee shall be deemed to have deposited into the Project Fund, an amount equal to the Closing Price. In authenticating Bonds, the Trustee makes no certification or representation that the Bonds have been validly issued or constitute legally binding obligations of the City.

(e) Following the initial issuance and delivery of the Bonds, the Developer may submit additional requisition certificates in accordance with **Section 4.4** of the Lease. If the Purchaser does not pay to the Trustee the amount set forth in the requisition certificate, the Purchaser will be deemed to have advanced an amount equal to the amount set forth in the requisition certificate and, if the Trustee is holding the Bonds, the Trustee shall endorse the Bonds in an amount equal to the amount set forth in each requisition certificate. The date of endorsement of each Principal Amount Advanced as set forth on **Schedule I** to the Bonds shall be the date of the City's approval of each requisition certificate. The Trustee shall keep a record of the total requisitions submitted to the Trustee for the Project, and shall notify the City if the requisitions submitted exceed the maximum principal amount of the Bonds.

(f) The Bonds shall bear interest at the rate of 5.0% per annum on the Cumulative Outstanding Principal Amount of the Bonds. Such interest shall be payable in arrears on each December 1, commencing on December 1, 2022, and continuing thereafter until the Cumulative Outstanding Principal Amount is paid in full, but not later than December 1, 2026. Interest shall be calculated on the basis of a year of 360 days consisting of 12 months of 30 days each.

(g) The Trustee shall keep and maintain a record of the amount deposited or deemed to be deposited into the Project Fund pursuant to the terms of this Indenture as “Principal Amount Advanced” and shall enter the aggregate principal amount of the Bonds then Outstanding on its records as the “Cumulative Outstanding Principal Amount.” If the Trustee is holding the Bonds, such advanced amounts shall be reflected on **Schedule I** to the Bonds. To the extent that advances are deemed to have been made pursuant to a requisition, the Trustee’s records of such advances shall be based solely on the requisitions provided to it. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Owners, pursuant to the redemption provisions of this Indenture, the Trustee shall enter on its records and **Schedule I** to the Bonds (if the Trustee is holding the Bonds) the principal amount paid on the Bonds as “Principal Amount Redeemed,” and shall enter the then-Outstanding principal amount of the Bonds as “Cumulative Outstanding Principal Amount.” The records maintained by the Trustee as to amounts deposited into the Project Fund or principal amounts paid on the Bonds shall be the official records of the Cumulative Outstanding Principal Amount for all purposes, absent manifest error, and shall be in substantially the form of the Table of Cumulative Outstanding Principal Amount as set out in the form of Bonds in **Exhibit C**. If any moneys are deposited by the Trustee into the Project Fund, then the Trustee shall provide a statement of receipts and disbursements with respect thereto to the City and the Developer on a monthly basis. After the Project has been completed and the certificate of payment of all costs is filed as provided in **Section 504**, the Trustee, to the extent it has not already done so pursuant to this Section or **Section 1012**, shall file a final statement of receipts and disbursements with respect thereto with the City and the Developer.

Section 209. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond becomes mutilated, or is lost, stolen or destroyed, the City shall execute and the Trustee shall authenticate and deliver a new Bond of like series, date and tenor as the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to the Trustee to save, defend and hold each of the City and the Trustee harmless. If any such Bond has matured, instead of delivering a substitute Bond, the Trustee may pay the same without surrender thereof. Upon the issuance of any substitute Bond, the City and the Trustee may require the payment of an amount sufficient to reimburse the City and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 210. Cancellation and Destruction of Bonds Upon Payment.

(a) All Bonds that have been paid or redeemed or that have otherwise been surrendered to the Trustee under this Indenture, either at or before maturity, shall be canceled by the Trustee immediately upon the payment or redemption of such Bonds and the surrender thereof to the Trustee.

(b) All Bonds canceled under any of the provisions of this Indenture shall be destroyed by the Trustee in accordance with applicable laws and regulations and the Trustee’s policies and practices. The Trustee shall execute a certificate describing the Bonds so destroyed, and shall file executed counterparts of such certificate with the City and the Developer.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption of Bonds.

(a) The Bonds are subject to redemption and payment at any time before the stated maturity thereof, at the option of the City, upon written instructions from the Developer, (1) in whole, if the Developer exercises its option to purchase the Project and deposits an amount sufficient to effect such purchase pursuant to the Lease on the applicable redemption date, or (2) in part, if the Developer prepays additional Basic Rent pursuant to the Lease. If only a portion of the Bonds are to be redeemed, (A) Bonds aggregating at least 10% of the maximum aggregate principal amount of Bonds authorized hereunder shall not be subject to redemption and payment before the stated maturity thereof, and (B) the Trustee shall keep a record of the amount of Bonds to remain Outstanding following such redemption. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date.

(b) The Bonds are subject to mandatory redemption, in whole or in part, to the extent of amounts deposited in the Bond Fund pursuant to **Section 9.1(f)** or **9.2(c)** of the Lease, in the event of substantial damage to or destruction or condemnation of substantially all of the Project. Bonds to be redeemed pursuant to this paragraph shall be called for redemption by the Trustee on the earliest practicable date for which timely notice of redemption may be given as provided hereunder. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date. Before giving notice of redemption to the Owners pursuant to this paragraph (b), money in an amount equal to the redemption price shall have been deposited in the Bond Fund.

(c) At its option, the Developer may deliver to the Trustee for cancellation any Bonds owned by the Developer and not previously paid, and the Developer shall receive a credit against the amounts payable by the Developer for the redemption of such Bonds in an amount equal to the principal amount of the Bonds so tendered for cancellation, plus accrued interest.

Section 302. Effect of Call for Redemption. Before or on the date fixed for redemption, funds, Government Securities, or a combination thereof, shall be placed with the Trustee which are sufficient to pay the Bonds called for redemption and accrued interest thereon, if any, to the redemption date. Upon the happening of the above conditions and appropriate written notice having been given, the Bonds or the portions of the principal amount of Bonds thus called for redemption shall cease to bear interest on the specified redemption date, and shall no longer be entitled to the protection, benefit or security of this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture. If the Bonds are fully redeemed before maturity and an amount of money equal to the Trustee's and the Paying Agent's agreed to fees and expenses hereunder accrued and to accrue in connection with such redemption is paid or provided for, the City shall, at the Developer's direction, deliver to the Developer the items described in **Section 11.2** of the Lease.

Section 303. Notice of Redemption. If the Bonds are to be called for redemption as provided in **Section 301(a)**, the Developer shall deliver written notice to the City and the Trustee that it has elected

to redeem all or a portion of the Bonds at least 40 days (10 days if there is one Owner) before the scheduled redemption date. The Trustee shall then deliver written notice to the Owners at least 30 days (five days if there is one Owner) before the scheduled redemption date by facsimile or other electronic communication and by first-class mail stating the date upon which the Bonds will be redeemed and paid, unless such notice period is waived by the Owners in writing.

ARTICLE IV

FORM OF BONDS

Section 401. Form Generally. The Bonds and the Trustee's Certificate of Authentication to be endorsed thereon shall be issued in substantially the forms set forth in **Exhibit C**. The Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any custom, usage or requirements of law with respect thereto.

ARTICLE V

CUSTODY AND APPLICATION OF BOND PROCEEDS

Section 501. Creation of Funds. There are hereby created and ordered to be established in the custody of the Trustee the following special trust funds in the name of the City:

- (a) "City of Olivette, Missouri, Series 2021 Project Fund – Opus Development Company, L.L.C." (herein called the "Project Fund").
- (b) "City of Olivette, Missouri, Series 2021 Bond Fund – Opus Development Company, L.L.C." (herein called the "Bond Fund").

Section 502. Deposits into the Project Fund. The proceeds of the sale of the Bonds (whether actually paid or deemed paid under **Section 208(d)**), including Additional Payments provided for in the Bond Purchase Agreement, when received, excluding such amounts required to be paid into the Bond Fund pursuant to **Section 601**, shall be deposited by the Trustee into the Project Fund. Any money received by the Trustee from any other source for the purpose of purchasing, constructing and installing the Project shall pursuant to any written directions from the Person depositing such moneys also be deposited into the Project Fund.

Section 503. Disbursements from the Project Fund.

(a) The moneys in the Project Fund shall be disbursed by the Trustee for the payment of, or reimbursement to the Developer (or any other party that has made payment on behalf of the Developer) for payment of, Project Costs upon receipt of requisition certificates signed by the Developer in accordance with the provisions of **Article IV** of the Lease. The Trustee hereby covenants and agrees to disburse such moneys in accordance with such provisions.

(b) If, pursuant to **Section 208(d)**, the Trustee is deemed to have deposited into the Project Fund the amount specified in the requisition certificates submitted by the Developer in accordance with the provisions of **Article IV** of the Lease, the Trustee shall upon endorsement of the Bonds in an equal

amount be deemed to have disbursed such funds from the Project Fund to the Developer (or such other purchaser designated by the Developer) in satisfaction of the requisition certificate. If the Trustee is holding the Bonds, such deemed disbursement will be deemed to have been made on the date the Trustee endorses the Bonds with respect to such additional amount.

(c) In paying any requisition under this Section, the Trustee may rely as to the completeness and accuracy of all statements in such requisition certificate if such requisition certificate is signed by the Authorized Developer Representative. If the City so requests in writing, a copy of each requisition certificate submitted to the Trustee for payment under this Section shall be promptly provided by the Trustee to the City. The City hereby authorizes and directs the Trustee to make disbursements in the manner and as provided for by the aforesaid provisions of the Lease.

Section 504. Completion of the Project. The completion of the purchase, construction and installation of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the certificate required by the provisions of **Section 4.5** of the Lease. As soon as practicable after the Completion Date any balance remaining in the Project Fund shall without further authorization be transferred by the Trustee to the Bond Fund and applied as provided in **Section 4.6** of the Lease.

Section 505. Disposition Upon Acceleration. If the principal of the Bonds has become due and payable pursuant to **Section 902**, upon the date of payment by the Trustee of any moneys due as hereinafter provided in **Article IX**, any balance remaining in the Project Fund shall without further authorization be deposited in the Bond Fund by the Trustee, with advice to the City and to the Developer of such action.

ARTICLE VI

REVENUES AND FUNDS

Section 601. Deposits into the Bond Fund.

(a) The Trustee shall deposit into the Bond Fund, as and when received, (1) all accrued interest on the Bonds, if any, paid by the Purchaser; (2) all Basic Rent payable by the Developer to the City specified in **Section 5.1** of the Lease; (3) any Additional Rent payable by the Developer specified in **Section 5.2** of the Lease; (4) any amount in the Project Fund to be transferred to the Bond Fund pursuant to **Section 504** or **Section 505**; (5) subject to the terms and conditions of the Fee Deed of Trust and the other Financing Documents executed in favor of the Lender, the balance of any Net Proceeds of condemnation awards or insurance received by the Trustee pursuant to **Article IX** of the Lease; (6) the amounts to be deposited in the Bond Fund pursuant to **Sections 9.1(f)** and **9.2(c)** of the Lease; (7) all interest and other income derived from investments of Bond Fund moneys as provided in **Section 702**; and (8) all other moneys received by the Trustee under and pursuant to any of the provisions of the Lease when accompanied by directions from the Person depositing such moneys that such moneys are to be paid into the Bond Fund.

(b) The Trustee shall notify the Developer in writing, at least 15 days before each date on which a payment is due under **Section 5.1** of the Lease, of the amount that is payable by the Developer pursuant to such Section.

Section 602. Application of Moneys in the Bond Fund.

(a) Except as provided in **Section 604** and **Section 908** hereof or in **Section 4.6** of the Lease, moneys in the Bond Fund shall be expended solely for the payment of the principal of and the interest on the Bonds as the same matures and becomes due or upon the redemption thereof before maturity; provided, however, that any amounts received by the Trustee as Additional Rent under **Section 5.2** of the Lease and deposited to the Bond Fund as provided in **Section 601** above, shall be expended by the Trustee for such items of Additional Rent as they are received or due without further authorization from the City.

(b) The City hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of and the interest on the Bonds as the same becomes due and payable and to make said funds so withdrawn available to the Paying Agent for the purpose of paying said principal and interest.

(c) Whenever the amount in the Bond Fund from any source whatsoever is sufficient to redeem all of the Bonds Outstanding and to pay interest to accrue thereon before and until such redemption, the City covenants and agrees, upon request of the Developer, to take and cause to be taken the necessary steps to redeem all such Bonds on the next succeeding redemption date for which the required redemption notice may be given or on such later redemption date as may be specified by the Developer. The Trustee may use any moneys in the Bond Fund to redeem a part of the Bonds Outstanding in accordance with and to the extent permitted by **Article III** so long as the Developer is not in default with respect to any payments under the Lease and to the extent said moneys are in excess of the amount required for payment of Bonds theretofore matured or called for redemption and past due interest, if any, in all cases when such Bonds have not been presented for payment.

(d) After payment in full of the principal of and interest, if any, on the Bonds (or provision has been made for the payment thereof as provided in this Indenture), and the fees, charges and expenses of the Trustee, the City and any Paying Agent and any other amounts required to be paid under this Indenture, the Lease and the Development and Performance Agreement, all amounts remaining in the Bond Fund shall be paid to the Developer upon the expiration or sooner termination of the Lease.

Section 603. Payments Due on Days Other than Business Days. In any case where the date of maturity of principal of or interest, if any, on the Bonds or the date fixed for redemption of any Bonds is not a Business Day, then payment of principal or interest, if any, need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest, if any, shall continue to accrue for the period after such date.

Section 604. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond shall have been made available to the Trustee, all liability of the City to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Owner of such Bond who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. If any Bond is not presented for payment within one year following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall without liability for interest thereon repay to the Developer the funds theretofore held by it for payment of such Bond, and

such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Developer, and the Owner thereof may look only to the Developer for payment, and then only to the extent of the amount so repaid, and the Developer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

ARTICLE VII

SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 701. Moneys to be Held in Trust. All moneys deposited with or paid to the Trustee for account of the Bond Fund or the Project Fund under any provision of this Indenture, and all moneys deposited with or paid to any Paying Agent under any provision of this Indenture, shall be held by the Trustee or Paying Agent in trust and shall be applied only in accordance with the provisions of this Indenture and the Lease, and, until used or applied as herein provided, shall constitute part of the Trust Estate and be subject to the lien hereof. Neither the Trustee nor any Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon in writing.

Section 702. Investment of Moneys in Project Fund and Bond Fund. Moneys held in the Project Fund and the Bond Fund shall, pursuant to written direction of the Developer, signed by the Authorized Developer Representative, be separately invested and reinvested by the Trustee in Investment Securities which mature or are subject to redemption by the Owner before the date such funds will be needed. If the Developer fails to provide written directions concerning investment of moneys held in the Project Fund and the Bond Fund, the Trustee is authorized to invest in such Investment Securities specified in paragraph (e) of the definition of Investment Securities, provided they mature or are subject to redemption before the date such funds will be needed. The Trustee is specifically authorized to implement its automated cash investment system to assure that cash on hand is invested and to charge its normal cash management fees and cash sweep account fees, which may be deducted from income earned on investments; provided that any such fees shall not exceed the interest income on the investment. The Trustee shall be provided ample time to clear any such fees that exceed interest income on the investment. Any such Investment Securities shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund in which such moneys are originally held, and the interest accruing thereon and any profit realized from such Investment Securities shall be credited to such fund, and any loss resulting from such Investment Securities shall be charged to such fund. After the Trustee has notice pursuant to **Section 1001(h)** of the existence of an Event of Default, the Trustee shall direct the investment of moneys in the Bond Fund and the Project Fund. The Trustee shall sell and reduce to cash a sufficient amount of such Investment Securities whenever the cash balance in any fund is insufficient for the purposes of such fund. In determining the balance in any fund, investments in such fund shall be valued at the lower of their original cost or their fair market value as of the most recent Payment Date. The Trustee may make any and all investments permitted by the provisions of this Section through its own bond department or any affiliate or short-term investment department.

Section 703. Record Keeping. The Trustee shall maintain records designed to show compliance with the provisions of this Article and with the provisions of **Article VI** while any of the Bonds are Outstanding.

ARTICLE VIII

GENERAL COVENANTS AND PROVISIONS

Section 801. Payment of Principal and Interest. The City covenants and agrees that it will, but solely from the rents, revenues and receipts derived from the Project and the Lease as described herein, deposit or cause to be deposited in the Bond Fund sufficient sums payable under the Lease promptly to meet and pay the principal of and the interest on the Bonds as they become due and payable at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. Nothing herein shall be construed as requiring the City to operate the Project as a business other than as lessor or to use any funds or revenues from any source other than funds and revenues derived from the Project.

Section 802. Authority to Execute Indenture and Issue Bonds. The City covenants that it is duly authorized under the Constitution and laws of the State to execute this Indenture, to issue the Bonds and to pledge and assign the Trust Estate in the manner and to the extent herein set forth; that all action on its part for the execution and delivery of this Indenture and the issuance of the Bonds has been duly and effectively taken; that the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the City according to the import thereof.

Section 803. Performance of Covenants. The City covenants that it will faithfully perform or cause to be performed at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in the Bonds and in all proceedings of its City Council pertaining thereto. The Trustee may take such action as it deems appropriate to enforce all such covenants, undertakings, stipulations and provisions of the City hereunder.

Section 804. Instruments of Further Assurance. The City covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such Supplemental Indentures and such further acts, instruments, financing statements and other documents as the Trustee may reasonably require for the better pledging and assigning unto the Trustee the property and revenues herein described to the payment of the principal of and interest, if any, on the Bonds, upon being first indemnified by the Developer for the cost thereof. The City covenants and agrees that, except as herein and in the Lease provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Project or the rents, revenues and receipts derived therefrom or from the Lease, or of its rights under the Lease.

Section 805. Recordings and Filings. The City shall file or cause to be kept and filed all financing statements, and hereby authorizes and directs the Trustee to file or cause to be kept and filed continuation statements with respect to such originally filed financing statements related to this Indenture and all supplements hereto and such other documents as may be required under the Uniform Commercial Code in order to fully preserve and protect the security of the Owners and the rights of the Trustee hereunder. The City will cooperate in causing this Indenture and all Supplemental Indentures, the Lease and all Supplemental Leases and all other security instruments to be recorded and filed in such manner and in such places as may be required by law in order to fully preserve and protect the security of the Owners and the rights of the Trustee hereunder. The Trustee shall file continuation statements with respect to each Uniform Commercial Code financing statement relating to the Trust Estate filed by the City at the time of the issuance of the Bonds; provided that a copy of the filed initial financing statement is timely delivered to the Trustee. In addition, unless the Trustee has been notified in writing by the City that any such initial filing or description of collateral was or has become defective, the Trustee shall be

fully protected in (a) relying on such initial filing and descriptions in filing any financing or continuation statements or modifications thereto pursuant to this Section, and (b) filing any continuation statements in the same filing offices as the initial filings were made. The Developer shall be responsible for the customary fees charged by the Trustee for the preparation and filing of continuation statements and for the reasonable costs incurred by the Trustee in the preparation and filing of all continuation statements hereunder, including attorneys' fees and expenses. These fees shall be considered "extraordinary services" fees.

Section 806. Inspection of Project Books. The City covenants and agrees that all books and documents in its possession relating to the Project and the rents, revenues and receipts derived from the Project shall at all times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate.

Section 807. Enforcement of Rights Under the Lease. The Trustee, as assignee, transferee, pledgee, and owner of a security interest under this Indenture, in its name or in the name of the City, may enforce all assigned rights of the City and the Trustee and all obligations of the Developer under and pursuant to the Lease for and on behalf of the Owners, whether or not the City is in default hereunder.

ARTICLE IX

DEFAULT AND REMEDIES

Section 901. Events of Default; Notice; Opportunity to Cure. If any of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default":

- (a) Default in the due and punctual payment of the principal of any Bond, whether at the stated maturity or accelerated maturity thereof, or at any date fixed for redemption thereof;
- (b) Default in the due and punctual payment of the interest on any Bond, whether at the stated maturity or accelerated maturity thereof, or at any date fixed for redemption thereof;
- (c) Default as specified in **Section 12.1** of the Lease has occurred; or
- (d) Default in the performance, or breach, of any other covenant or agreement under this Indenture.

No default specified above shall constitute an Event of Default until the City, the Trustee or the Owners of 25% in aggregate principal amount of all Bonds Outstanding has given actual notice of such default by registered or certified mail or recognized overnight delivery service to the Developer and the Lender, and the Developer and the Lender have had 30 days after receipt of such notice to correct said default or cause said default to be corrected and have not corrected said default or caused said default to be corrected within such period; provided, however, if any such default (other than a default in the payment of any money) is such that it cannot be corrected within such period, it shall not constitute an Event of Default if corrective action is instituted by the Developer, the Lender or the City, as the case may be, within such period and diligently pursued until the default is corrected. Nothing herein shall constitute an obligation of the Lender to cure any defaults hereunder.

Section 902. Acceleration of Maturity in Event of Default.

(a) If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, the Trustee may, and upon the written request of the City or the Owners of not less than 25% in aggregate principal amount of Bonds then-Outstanding, shall, by notice in writing delivered to the City, the Lender and the Developer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and such principal and interest and all other amounts due hereunder shall thereupon become and be immediately due and payable.

(b) If, at any time after such declaration, but before the Bonds have matured by their terms, all overdue installments of principal and interest upon the Bonds, together with the reasonable and proper expenses of the Trustee, and all other sums then payable by the City under this Indenture are either paid or provisions satisfactory to the Trustee are made for such payment, then and in every such case the Trustee shall, but only with the approval of a majority of the Owners of the Bonds then-Outstanding, rescind such declaration and annul such default in its entirety. In such event, the Trustee shall rescind any declaration of acceleration of installments of rent payments on the Bonds as provided in **Section 11.1** of the Lease.

(c) In case of any rescission, then and in every such case the City, the Trustee, the Developer and the Owners shall be restored to their former positions and rights hereunder respectively, but no such rescission shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 903. Surrender of Possession of Trust Estate; Rights and Duties of Trustee in Possession. If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, the City, upon demand of the Trustee, shall forthwith surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Trust Estate, together with the books, papers and accounts of the City pertaining thereto, and including the rights and the position of the City under the Lease, and to hold, operate and manage the same, and from time to time make all needful repairs and improvements. The Trustee may lease the Project or any part thereof, in the name and for account of the City, and collect, receive and sequester the rents, revenues and receipts therefrom, and out of the same and any moneys received from any receiver of any part thereof pay, and set up proper reserves for the payment of all proper costs and expenses of so taking, holding and managing the same, including without limitation (a) reasonable compensation to the Trustee, its agents and counsel, (b) any reasonable charges of the Trustee hereunder, (c) any taxes and assessments and other charges before the lien of this Indenture, (d) all expenses of such repairs and improvements and (e) any amounts payable under the Development and Performance Agreement. The Trustee shall apply the remainder of the moneys so received in accordance with the provisions of **Section 908**. Whenever all that is due upon the Bonds has been paid and all defaults cured, the Trustee shall surrender possession of the Trust Estate to the City, its successors or assigns, the same right of entry, however, to exist upon any subsequent Event of Default. While in possession of such property, the Trustee shall render annually to the City and the Developer a summarized statement of receipts and expenditures in connection therewith.

Section 904. Appointment of Receivers in Event of Default. If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate or any part thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 905. Exercise of Remedies by the Trustee.

(a) Upon the occurrence of an Event of Default, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of and interest on the Bonds then-Outstanding and all other amounts due hereunder, and to enforce and compel the performance of the duties and obligations of the City or the Developer as herein set forth or as set forth in the Lease, respectively.

(b) If an Event of Default has occurred and is continuing after the notice and cure period described in **Section 901** elapses, and if requested in writing to do so by (1) the City (in the case of an Event of Default pursuant to **Section 12.1(a)** (but only as it relates to Additional Rent), **(b)** (but only as it relates to Unassigned Rights), **(c)** or **(d)** of the Lease), or (2) the Owners of 25% in aggregate principal amount of Bonds then-Outstanding and indemnified as provided in **Section 1001(l)**, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient and in the interests of the City or the Owners, as the case may be.

(c) All rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without necessity of joining as plaintiffs or defendants any Owners, and any recovery of judgment shall, subject to the provisions of **Section 908**, be for the equal benefit of all the Owners of the Outstanding Bonds.

Section 906. Limitation on Exercise of Remedies by Owners. No Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless (a) a default has occurred of which the Trustee has been notified as provided in **Section 1001(h)** or of which by said subsection the Trustee is deemed to have notice, (b) such default has become an Event of Default, (c) the Owners of 25% in aggregate principal amount of Bonds then-Outstanding have made written request to the Trustee, have offered it reasonable opportunity either to proceed for such reasonable period not to exceed 60 days following such notice and to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, and have offered to the Trustee indemnity as provided in **Section 1001(l)**, and (d) the Trustee thereafter fails or refuses to exercise the powers herein granted or to institute such action, suit or proceeding in its own name; such notification, request and offer of indemnity are hereby declared in every case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder, it being understood and intended that no one or more Owners shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Owners of all Bonds then-Outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Owner to payment of the principal of and interest on any Bond at and after the maturity thereof or the obligation of the City to pay the principal of and interest on each of the Bonds issued hereunder to the respective Owners thereof at the time, place, from the source and in the manner herein and in the Bonds expressed.

Section 907. Right of Owners to Direct Proceedings.

(a) The Owners of a majority in aggregate principal amount of Bonds then-Outstanding may, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, including **Section 1001(l)**.

(b) Notwithstanding any provision in this Indenture to the contrary, including paragraph (a) of this Section, the Owners shall not have the right to control or direct any remedies hereunder upon an Event of Default under **Section 12.1(a)** (but only as it relates to Additional Rent), **(b)** (but only as it relates to Unassigned Rights), **(c)** or **(d)** of the Lease.

Section 908. Application of Moneys in Event of Default.

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall be applied first to the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee (including any attorneys' fees and expenses) or amounts to be paid pursuant to **Section 903** and second to any obligations outstanding under the Lease and the Development and Performance Agreement. Any remaining moneys shall be deposited in the Bond Fund and applied as follows:

(1) Unless the principal of all the Bonds has become or has been declared due and payable, all such moneys shall be applied:

FIRST -- To the payment to the Persons entitled thereto of all installments of interest, if any, then due and payable on the Bonds, in the order in which such installments of interest became due and payable, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

SECOND -- To the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment, ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

(2) If the principal of all the Bonds has become due or has been declared due and payable, all such moneys shall be applied to the payment of the principal and interest, if any, then due and unpaid on all of the Bonds, without preference or priority of principal over interest or of interest over principal or of any installment of interest over any other installment of interest or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto, without any discrimination or privilege.

(3) If the principal of all the Bonds has been declared due and payable, and if such declaration thereafter has been rescinded and annulled under the provisions of **Section 910**, then, subject to the provisions of subsection (2) of this Section, if the principal of all the Bonds later becomes due or is declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (1) of this Section.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available and which may become available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be a Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue.

(c) Whenever all of the Bonds and interest thereon, if any, have been paid under the provisions of this Section, and all fees, expenses and charges of the City and the Trustee and any other amounts required to be paid under this Indenture and the Lease have been paid (including any amounts payable under the Development and Performance Agreement), any balance remaining in the Bond Fund shall be paid to the Developer as provided in **Section 602**.

Section 909. Remedies Cumulative. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Owners hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient. If the Trustee has proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry, or otherwise, and such proceedings have been discontinued or abandoned for any reason, or have been determined adversely, then and in every such case the City, the Developer, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 910. Waivers of Events of Default. The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest, if any, on the Bonds, but only upon the written request of the Owners of at least 50% in aggregate principal amount of all the Bonds then-Outstanding, provided, however, that (a) there shall not be waived without the consent of the City an Event of Default hereunder arising from an Event of Default under **Section 12.1(a)** (but only as it relates to Additional Rent), (b) (but only as it relates to Unassigned Rights), (c) or (d) of the Lease, and (b) there shall not be waived without the consent of the Owners of all the Bonds Outstanding (1) any Event of Default in the payment of the principal of any Outstanding Bonds when due (whether at the date of maturity or redemption specified therein), or (2) any Event of Default in the payment when due of the interest on any such Bonds, unless before such waiver or rescission, all arrears of interest, or all arrears of payments of principal when due, as the case may be, and all reasonable expenses of the Trustee and the City (including reasonable attorneys' fees and expenses), in connection with such default, have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default has been discontinued or abandoned or determined adversely, then and in every such case the City, the Developer, the Trustee and the Owners shall be restored to their former positions, rights and obligations hereunder, respectively, but no such

waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

ARTICLE X

THE TRUSTEE

Section 1001. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, before the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default has occurred and is continuing, subject to **Section 1001(I)** below, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in their exercise, as a prudent Person would exercise or use under the circumstances in the conduct of its own affairs.

(b) The Trustee undertakes to perform such duties as are specifically set forth in this Indenture, and in the absence of bad faith, negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct. The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, affiliates, attorneys or receivers and shall not be responsible for any misconduct or negligence on the part of any agent, attorney or receiver appointed or chosen by it with due care. The Trustee may conclusively rely upon and act or refrain from acting upon any opinion or advice of counsel, who may be counsel to the City or to the Developer, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of counsel addressed to the City and the Trustee.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds (except with respect to the Certificate of Authentication of the Trustee endorsed on the Bonds), or except as provided in the Lease and particularly **Section 10.8** thereof, for the recording or rerecording, filing or refiling of this Indenture or any security agreement in connection therewith (excluding the continuation of Uniform Commercial Code financing statements), or for insuring the Project or collecting any insurance moneys, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency of the security of the Bonds. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with **Article VII**.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated and delivered hereunder. The Trustee, in its individual or any other capacity, may become the Owner or pledgee of Bonds with the same rights that it would have if it were not the Trustee. The Trustee shall not be accountable for the use or application by the City or the Developer of the proceeds of any of the Bonds or of any money paid to or upon the order of the City or the Developer under any provision of this Indenture.

(e) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, affidavit, letter, telegram or other paper or document provided for under this Indenture believed by it to be genuine and correct and to have been signed, presented or sent by the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who, at the time of making such request or giving such authority or consent is an Owner, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Trustee may rely upon a certificate signed by the Authorized City Representative or the Authorized Developer Representative as sufficient evidence of the facts therein contained, and before the occurrence of a default of which the Trustee has been notified as provided in subsection (h) of this Section or of which by said subsection it is deemed to have notice, the Trustee shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the City to cause to be made any of the payments to the Trustee required to be made in **Article VI**, unless the Trustee is specifically notified in writing of such default by the City or by the Owners of at least 25% in aggregate principal amount of all Bonds then-Outstanding.

(i) At any and all reasonable times and subject to the Developer's reasonable and standard security procedures, the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives may, but shall not be required to, inspect any and all of the Project, and all books, papers and records of the City pertaining to the Project and the Bonds, and to take such memoranda from and in regard thereto as may be desired. The Trustee shall treat all proprietary information of the Developer as confidential.

(j) The Trustee shall not be required to give any bond or surety in respect to the execution of its trusts and powers hereunder or otherwise in respect of the Project.

(k) The Trustee may, but shall not be required to, demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any

action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the City to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Notwithstanding anything in this Indenture or the Lease to the contrary, before taking any action under this Indenture other than the payments from moneys on deposit in the Project Fund or the Bond Fund, as provided herein, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all costs and expenses (including, without limitation, attorneys' fees and expenses) to which it may be put and to protect it against all liability which it may incur in or by reason of such action, except liability which is adjudicated to have resulted from its negligence or willful misconduct by reason of any action so taken.

(m) Notwithstanding any other provision of this Indenture to the contrary, any provision relating to the conduct of, intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Trustee, shall be interpreted to include any action of the Trustee, whether it is deemed to be in its capacity as Trustee, bond registrar or Paying Agent.

(n) The Trustee agrees to accept and act on instructions or directions pursuant to this Indenture sent by the City or the Developer, as the case may be, by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that the City or the Developer, respectively, shall provide to the Trustee an incumbency certificate listing designated Persons with the authority to provide such instructions, which incumbency certificate shall be amended whenever a Person is to be added or deleted from the listing. If the City or the Developer, as applicable, elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee acts upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The City or the Developer, as applicable, agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(o) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(p) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it has reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

Section 1002. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment of and/or reimbursement for reasonable fees for its ordinary services rendered hereunder and all advances, agent and counsel fees and other ordinary expenses reasonably made or incurred by the Trustee

in connection with such ordinary services. If it becomes necessary for the Trustee to perform extraordinary services, it shall be entitled to reasonable extra compensation therefor and to reimbursement for reasonable extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are caused by the negligence or willful misconduct of the Trustee, it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent for the Bonds. Pursuant to the provisions of **Section 5.2** of the Lease, the Developer has agreed to pay to the Trustee all reasonable fees, charges and expenses of the Trustee under this Indenture. The Trustee agrees that the City shall have no liability for any reasonable fees, charges and expenses of the Trustee, and the Trustee agrees to look only to the Developer for the payment of all reasonable fees, charges and expenses of the Trustee and any Paying Agent as provided in the Lease. Upon the occurrence of an Event of Default and during its continuance, the Trustee shall have a lien with right of payment before payment on account of principal of or interest on any Bond, upon all moneys in its possession under any provisions hereof for the foregoing reasonable advances, fees, costs and expenses incurred. The Trustee's right to compensation and indemnification shall survive the satisfaction and discharge of this Indenture or its resignation or removal hereunder and payment in full of the Bonds.

Section 1003. Notice to Owners if Default Occurs. If a default occurs of which the Trustee is by **Section 1001(h)** required to take notice or if notice of default is given as in said subsection (h) provided, then the Trustee shall give written notice thereof to the last known Owners of all Bonds then-Outstanding as shown by the bond registration books required by **Section 206** to be kept at the corporate trust office of the Trustee.

Section 1004. Intervention by the Trustee. In any judicial proceeding to which the City is a party and which, in the opinion of the Trustee and its counsel, has a substantial bearing on the interests of Owners, the Trustee may intervene on behalf of Owners and, subject to the provisions of **Section 1001(I)**, shall do so if requested in writing by the Owners of at least 25% of the aggregate principal amount of Bonds then-Outstanding.

Section 1005. Successor Trustee Upon Merger, Consolidation or Sale. With the prior written consent of the Developer, any corporation or association into which the Trustee may be merged or converted or with or into which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any merger, conversion, sale, consolidation or transfer to which it is a party, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument or any further act on the part of any of the parties hereto.

Section 1006. Resignation of Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 30 days' written notice to the City, the Developer and the Owners, and such resignation shall take effect at the end of such 30 days, or upon the earlier appointment of a successor Trustee by the Owners or by the City; provided, however, that in no event shall the resignation of the Trustee or any successor Trustee become effective until such time as a successor Trustee has been appointed and has accepted the appointment. If no successor has been appointed and accepted the appointment within 30 days after the giving of such notice of resignation, the Trustee, at the Developer's expense, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 1007. Removal of Trustee. The Trustee may be removed at any time, with or without cause, by an instrument or concurrent instruments in writing (a) delivered to the Trustee, the City and the Developer and signed by the Owners of a majority in aggregate principal amount of Bonds then-Outstanding, or (b) so long as no Event of Default under this Indenture or the Lease has occurred and is continuing, delivered to the Trustee, the City and the Owners and signed by the Developer.

Section 1008. Appointment of Successor Trustee. If the Trustee hereunder resigns or is removed, or otherwise becomes incapable of acting hereunder, or if it is taken under the control of any public officer or officers or of a receiver appointed by a court, a successor Trustee (a) reasonably acceptable to the City may be appointed by the Developer (so long as no Event of Default has occurred and is continuing), or (b) reasonably acceptable to the City and the Developer may be appointed by the Owners of a majority in aggregate principal amount of Bonds then-Outstanding, by an instrument or concurrent instruments in writing; provided, nevertheless, that in case of such vacancy, the City, by an instrument executed and signed by its Mayor or City Manager and attested by its City Clerk under its seal, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed in the manner above provided. Any such temporary Trustee so appointed by the City shall immediately and without further acts be superseded by the successor Trustee so appointed as provided above. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank in good standing and qualified to accept such trust with a corporate trust office in the State, and having, or whose obligations are guaranteed by a financial institution having, a reported capital, surplus and undivided profits of not less than \$50,000,000. If no successor Trustee has been so appointed and accepted appointment in the manner herein provided, the Trustee, at the Developer's expense, or any Owner may petition any court of competent jurisdiction for the appointment of a successor Trustee, until a successor has been appointed as above provided.

Section 1009. Vesting of Trusts in Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the City and the Developer an instrument in writing accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed or conveyance, become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor and the duties and obligations of such predecessor hereunder shall thereafter cease and terminate; but such predecessor shall, nevertheless, on the written request of the City, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder; every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the City be required by any predecessor or successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

Section 1010. Right of Trustee to Pay Taxes and Other Charges. If any tax, assessment or governmental or other charge upon, or insurance premium with respect to, any part of the Project is not paid as required herein or in the Lease, the Trustee may pay such tax, assessment or governmental charge or insurance premium, without prejudice, however, to any rights of the Trustee or the Owners hereunder arising in consequence of such failure; any amount at any time so paid under this Section, with interest thereon from the date of payment at the rate of 10% per annum, shall become an additional obligation secured by this Indenture, and the same shall be given a preference in payment over any payment of principal of or interest on the Bonds, and shall be paid out of the proceeds of rents, revenues and receipts collected from the Project, if not otherwise caused to be paid; but the Trustee shall be under no obligation to make any such payment unless it has been requested to do so by the Owners of at least 25% of the

aggregate principal amount of Bonds then-Outstanding and has been provided adequate funds for the purpose of such payment.

Section 1011. Trust Estate May be Vested in Co-Trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Lease, and in particular in case of the enforcement of either this Indenture or the Lease upon the occurrence of an Event of Default or if the Trustee deems that by reason of any present or future law of any jurisdiction it cannot exercise any of the powers, rights or remedies herein granted to the Trustee, or take any other action which may be desirable or necessary in connection therewith, it may be necessary or desirable that the Trustee appoint an additional individual or institution as a co-trustee or separate trustee, and the Trustee is hereby authorized to appoint such co-trustee or separate trustee.

(b) If the Trustee appoints an additional individual or institution as a co-trustee or separate trustee (which appointment shall be subject to the approval of the Developer), each and every remedy, power, right, claim, demand, cause of action, immunity, title, interest and lien expressed or intended by this Indenture to be exercised by the Trustee with respect thereto shall be exercisable by such co-trustee or separate trustee but only to the extent necessary to enable such co-trustee or separate trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such co-trustee or separate trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the City be required by the co-trustee or separate trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to such co-trustee or separate trustee such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

(d) If any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the properties, rights, powers, trusts, duties and obligations of such co-trustee or separate trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a successor to such co-trustee or separate trustee.

Section 1012. Accounting. The Trustee shall render an annual accounting for the period ending December 31 of each year to the City, the Developer and to any Owner requesting the same and, upon the request of the City, the Developer or any Owner (at such Owner's expense), a monthly accounting to any such party, showing in reasonable detail all financial transactions relating to the Trust Estate during the accounting period and the balance in any funds or accounts created by this Indenture as of the beginning and close of such accounting period.

Section 1013. Performance of Duties Under the Lease. The Trustee hereby accepts and agrees to perform all duties and obligations specifically assigned to it under the Lease.

ARTICLE XI

SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Not Requiring Consent of Owners. The City and the Trustee may from time to time, without the consent of or notice to any of the Owners, enter into such Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Indenture, or to make any other change which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Owners (provided the Trustee is entitled to receive and may conclusively rely upon an opinion of counsel in exercising such judgment);

(b) To grant to or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners or the Trustee or both of them;

(c) To more precisely identify any portion of the Project or to add additional property thereto;

(d) To conform the Indenture to amendments to the Lease made by the City and the Developer; or

(e) To subject to this Indenture additional revenues, properties or collateral.

Section 1102. Supplemental Indentures Requiring Consent of Owners.

(a) Exclusive of Supplemental Indentures covered by **Section 1101** and subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than a majority in aggregate principal amount of the Bonds then-Outstanding may, from time to time, anything contained in this Indenture to the contrary notwithstanding, consent to and approve the execution by the City and the Trustee of such other Supplemental Indenture or Supplemental Indentures as shall be deemed necessary and desirable by the City for the purpose of modifying, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, that without the consent of the Owners of 100% of the principal amount of the Bonds then-Outstanding, nothing in this Section contained shall permit or be construed as permitting (1) an extension of the maturity or a shortening of the redemption date of the principal of or the interest, if any, on any Bond issued hereunder, or (2) a reduction in the principal amount of any Bond or the rate of interest thereon, if any, or (3) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (4) a reduction in the aggregate principal amount of Bonds the Owners of which are required for consent to any such Supplemental Indenture.

(b) If at the time the City requests the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section, the Trustee shall cause notice of the proposed execution of such Supplemental Indenture to be mailed to each Owner as shown on the bond registration books required by **Section 206**. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Owners. If within 60 days or such longer period as may be prescribed by the City following the mailing

of such notice, the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no Owner shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof.

Section 1103. Developer's Consent to Supplemental Indentures. Anything herein to the contrary notwithstanding, a Supplemental Indenture under this Article shall not become effective unless and until the Developer has consented in writing to the execution and delivery of such Supplemental Indenture. The Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture (regardless of whether it affects the Developer's rights) together with a copy of the proposed Supplemental Indenture to be mailed to the Developer and any Financing Party of which the Trustee has received written notice at least 15 days before the proposed date of execution and delivery of the Supplemental Indenture.

Section 1104. Opinion of Counsel. In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee and the City shall receive, and, shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture and will, upon the execution and delivery thereof, be a valid and binding obligation of the City. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's rights, duties or immunities under this Indenture or otherwise.

ARTICLE XII

SUPPLEMENTAL LEASES

Section 1201. Supplemental Leases Not Requiring Consent of Owners. The City and the Trustee shall, without the consent of or notice to the Owners, consent to the execution of any Supplemental Lease or Supplemental Leases by the City and the Developer as may be required (a) by the provisions of the Lease and this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission in the Lease, (c) so as to more precisely identify the Project or add additional property thereto or (d) in connection with any other change therein which, in the judgment of the Trustee, does not materially and adversely affect the Trustee or security for the Owners (provided the Trustee is entitled to receive and may conclusively rely upon an opinion of counsel in exercising such judgment).

Section 1202. Supplemental Leases Requiring Consent of Owners. Except for Supplemental Leases as provided for in **Section 1201**, neither the City nor the Trustee shall consent to the execution of any Supplemental Lease or Supplemental Leases by the City or the Developer without the mailing of notice and the obtaining of the written approval or consent of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding given and obtained as provided in **Section 1102**. If at any time the City and the Developer shall request the consent of the Trustee to any such proposed Supplemental Lease, the Trustee shall cause notice of such proposed Supplemental Lease to be mailed in the same manner as provided in **Section 1102** with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed Supplemental Lease and shall state that copies of the same are on file in the corporate trust office of the Trustee for inspection by all Owners. If

within 60 days or such longer period as may be prescribed by the City following the mailing of such notice, the Owners of not less than 50% in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Lease shall have consented to and approved the execution thereof as herein provided, no Owner shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof.

Section 1203. Opinion of Counsel. In executing or consenting to any Supplemental Lease permitted by this Article, the City and the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed to the Trustee and the City stating that the executing of such Supplemental Lease is authorized or permitted by the Lease and this Indenture and the applicable law and will upon the execution and delivery thereof be valid and binding obligations of the parties thereto.

ARTICLE XIII

SATISFACTION AND DISCHARGE OF INDENTURE

Section 1301. Satisfaction and Discharge of this Indenture.

(a) When the principal of and interest on all the Bonds have been paid in accordance with their terms or provision has been made for such payment, as provided in **Section 1302**, and provision also made for paying all other sums payable hereunder and under the Lease and the Development and Performance Agreement, including the reasonable fees and expenses of the Trustee, the City and Paying Agent to the date of retirement of the Bonds, then the right, title and interest of the Trustee in respect hereof shall thereupon cease, determine and be void. Thereupon, the Trustee shall cancel, discharge and release this Indenture and shall upon the written request of the City or the Developer execute, acknowledge and deliver to the City such instruments of satisfaction and discharge or release as shall be required to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the City (subject to the City's obligations under **Section 11.2** of the Lease) any property at the time subject to this Indenture which may then be in its possession, except amounts in the Bond Fund required to be paid to the Developer under **Section 602** and except funds or securities in which such funds are invested held by the Trustee for the payment of the principal of and interest on the Bonds.

(b) The City is hereby authorized to accept a certificate by the Trustee that the whole amount of the principal and interest, if any, so due and payable upon all of the Bonds then-Outstanding has been paid or such payment provided for in accordance with **Section 1302** as evidence of satisfaction of this Indenture, and upon receipt thereof shall cancel and erase the inscription of this Indenture from its records.

Section 1302. Bonds Deemed to be Paid.

(a) Bonds shall be deemed to be paid within the meaning of this Article when payment of the principal of and interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture, or otherwise), either (1) have been made or caused to be made in accordance with the terms thereof, or (2) have been provided for by depositing with the Trustee or other commercial bank or trust company having full trust powers and authorized to accept trusts in the State in trust and irrevocably set aside exclusively for such payment (A) moneys sufficient to make such

payment or (B) Government Securities maturing as to principal and interest in such amount and at such times as will ensure the availability of sufficient moneys to make such payment, or (C) have been provided for by surrendering the Bonds to the Trustee for cancellation. When the Bonds are deemed to be paid hereunder, as aforesaid, they shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of such payment from such moneys or Government Securities.

(b) Notwithstanding the foregoing, in the case of Bonds which by their terms may be redeemed before the stated maturities thereof, no deposit under clause (2) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until, as to all such Bonds which are to be redeemed before their respective stated maturities, proper notice of such redemption has been given in accordance with **Article III** or irrevocable instructions have been given to the Trustee to give such notice.

(c) Notwithstanding any provision of any other section of this Indenture which may be contrary to the provisions of this Section, all moneys or Government Securities set aside and held in trust pursuant to the provisions of this Section for the payment of Bonds shall be applied to and used solely for the payment of the particular Bonds, with respect to which such moneys and Government Securities have been so set aside in trust.

ARTICLE XIV

MISCELLANEOUS PROVISIONS

Section 1401. Consents and Other Instruments by Owners.

(a) Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds (other than the assignment of ownership of a Bond) if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted under any such instrument, namely:

(1) The fact and date of the execution by any Person of any such instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the Person signing such instrument acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(2) The fact of ownership of Bonds and the amount or amounts, numbers and other identification of such Bonds, and the date of holding the same shall be proved by the registration books of the City maintained by the Trustee pursuant to **Section 206**.

(b) In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Bonds owned by the Developer shall be disregarded and deemed not to be Outstanding under this Indenture, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Trustee knows to be so owned shall be so disregarded; provided, the foregoing provisions shall not be applicable if the Developer is the only Owner of the Bonds. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee

establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Bonds and the pledgee is not the Developer or any affiliate thereof. The parties hereto acknowledge that, as of the date of execution and delivery of this Indenture, the Lender is the pledgee of the Bonds and shall be deemed to be the sole holder of the Bonds for purposes of any request, demand, authorization, direction, notice, consent or waiver under this Indenture.

Section 1402. Limitation of Rights Under this Indenture. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give any Person other than the parties hereto, and the Owners, if any, any right, remedy or claim under or in respect to this Indenture, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Lender and the Owners, as herein provided.

Section 1403. Rights of Lender. The City and the Trustee agree that in addition to any other rights to assign the Bonds as set forth herein, the Developer may collaterally assign its interest in the Bonds to the Lender for the purpose of securing the Developer's obligations to the Lender in connection with the financing or refinancing of the Project. In the event of a collateral assignment made by the Developer, the City and the Trustee agree, at the expense of the Developer, to execute such consents, estoppels and other documents related thereto as the Lender shall reasonably request and in such form with such terms as the City and the Trustee deem appropriate.

OWNER: _____

MAXIMUM PRINCIPAL AMOUNT: FIFTY-FIVE MILLION DOLLARS

The **CITY OF OLIVETTE, MISSOURI**, a home-rule city organized and existing under the laws of the State of Missouri and the City Charter (the “City”), for value received, promises to pay, but solely from the source hereinafter referred to, to the Owner named above, or registered assigns thereof, on the Maturity Date shown above, the principal amount shown above, or such lesser amount as may be outstanding hereunder as reflected on **Schedule I** hereto held by the Trustee as provided in the hereinafter referred to Indenture. The City agrees to pay such principal amount to the Owner in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, and in like manner to pay to the Owner hereof, either by check or draft mailed to the Owner at a stated address as it appears on the bond registration books of the City kept by the Trustee under the within mentioned Indenture or, in certain situations authorized in the Indenture, by internal bank transfer or by wire transfer to an account in a commercial bank or savings institution located in the United States. Interest on the Cumulative Outstanding Principal Amount (as hereinafter defined) at the per annum Interest Rate stated above, payable in arrears on each December 1, commencing on December 1, 2022, and continuing thereafter until the earlier of the date on which said Cumulative Outstanding Principal Amount is paid in full or the Maturity Date. Interest on each advancement of the principal amount of this Bond shall accrue from the date that such advancement is made, computed on the basis of a year of 360 days consisting of 12 months of 30 days each.

As used herein, the term “Cumulative Outstanding Principal Amount” means all Bonds outstanding under the terms of the hereinafter-defined Indenture, as reflected on **Schedule I** hereto maintained by the Trustee.

THIS BOND is one of a duly authorized series of Bonds of the City designated the “City of Olivette, Missouri, Taxable Industrial Revenue Bonds (Opus Development Company, L.L.C. Project), Series 2021,” in the maximum aggregate principal amount of \$55,000,000 (the “Bonds”), to be issued for the purpose of acquiring a leasehold interest in certain real property located on Irvington Court and Reyem Court in the City (the “Project Site”) and constructing thereon a development consisting of approximately 207 residential apartments (the “Project Improvements”). The City will lease the Project Site and the Project Improvements (collectively, the “Project”) to Opus Development Company, L.L.C., a Delaware limited liability company (the “Developer”), under the terms of a Lease Agreement dated as of [*Date*], 2021 (said Lease Agreement, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the “Lease”), between the City and the Developer, all pursuant to the authority of and in full compliance with the provisions, restrictions and limitations of the Constitution, the statutes of the State of Missouri, including particularly the Act, and pursuant to proceedings duly had by the City Council.

THE BONDS are issued under and are equally and ratably secured and entitled to the protection given by a Trust Indenture dated as of [*Date*], 2021 (said Trust Indenture, as amended and supplemented from time to time in accordance with the provisions thereof, being herein called the “Indenture”), between the City and [*Trustee*], as trustee (the “Trustee”). *Capitalized terms not defined herein shall have the meanings set forth in the Indenture.*

Reference is hereby made to the Indenture for a description of the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the City, the Trustee and the Owners, and the terms upon which the Bonds are issued and secured.

THE BONDS are subject to redemption and payment at any time before the stated maturity thereof, at the option of the City, upon written instructions from the Developer, (1) in whole, if the Developer exercises its option to purchase the Project and deposits an amount sufficient to effect such purchase pursuant to the Lease on the applicable redemption date, or (2) in part, if the Developer prepays additional Basic Rent pursuant to the Lease; provided, however, if only a portion of the Bonds are to be redeemed, Bonds aggregating at least 10% of the maximum principal amount of Bonds authorized under the Indenture shall not be subject to redemption and payment before the stated maturity thereof. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date.

THE BONDS are subject to mandatory redemption, in whole or in part, to the extent of amounts deposited in the Bond Fund pursuant to **Section 9.1(f)** or **9.2(c)** of the Lease, in the event of substantial damage to or destruction or condemnation of substantially all of the Project. Bonds to be redeemed pursuant to this paragraph shall be called for redemption by the Trustee on the earliest practicable date for which timely notice of redemption may be given as provided in the Indenture. Any redemption of Bonds pursuant to this paragraph shall be at a redemption price equal to the par value thereof being redeemed, plus accrued interest thereon, without premium or penalty, to the redemption date. Before giving notice of redemption to the Owners pursuant to this paragraph, money in an amount equal to the redemption price shall have been deposited in the Bond Fund.

If the Bonds are to be called for optional redemption, the Developer shall deliver written notice to the City and the Trustee that it has elected to redeem all or a portion of the Bonds at least 40 days (10 days if there is one Owner) before the scheduled redemption date. The Trustee shall then deliver written notice to the Owner of this Bond at least 30 days (five days if there is one Owner) before the scheduled redemption date by facsimile or other electronic communication and by first-class mail stating the date upon which the Bonds will be redeemed and paid.

THE BONDS, including interest thereon, are special obligations of the City and are payable solely out of the rents, revenues and receipts derived by the City from the Project and the Lease and not from any other fund or source of the City, and are secured by a pledge and assignment of the Project and of such rents, revenues and receipts, including all rentals and other amounts to be received by the City under and pursuant to the Lease, all as provided in the Indenture. The Bonds do not constitute a general obligation of the City or the State of Missouri, and neither the City nor said State shall be liable thereon, and the Bonds shall not constitute an indebtedness within the meaning of any constitutional, statutory or charter debt limitation or restriction, and are not payable in any manner by taxation. Pursuant to the provisions of the Lease, rental payments sufficient for the prompt payment when due of the principal of and interest on the Bonds are to be paid by the Developer directly to the Trustee for the account of the City and deposited in a special fund created by the City and designated the “City of Olivette, Missouri, Series 2021 Bond Fund – Opus Development Company, L.L.C..”

THE OWNER of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then-Outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of this Bond or the Indenture may be made only to the extent and in the circumstances permitted by the Indenture.

THIS BOND is transferable, as provided in the Indenture, only upon the books of the City kept for that purpose at the above-mentioned office of the Trustee by the Owner hereof in person or by such Person’s duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer reasonably satisfactory to the Trustee duly executed by the Owner or such Person’s duly authorized attorney, and thereupon a new fully-registered Bond or Bonds, in the same aggregate principal amounts, shall be issued to the transferee in exchange therefor as provided in the Indenture, and upon payment of the charges therein prescribed. The City, the Trustee and any Paying Agent may deem and treat the Person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

THE BONDS are issuable in the form of one fully-registered Bond in the maximum principal amount of \$55,000,000.

THIS BOND shall not be valid or become obligatory for any purposes or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon has been executed by the Trustee.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and laws of the State of Missouri.

IN WITNESS WHEREOF, the City of Olivette, Missouri, has caused this Bond to be executed in its name by the manual or facsimile signature of its City Manager, attested by the manual or facsimile signature of its City Clerk and its corporate seal to be affixed hereto or imprinted hereon.
