

**CITY COUNCIL AGENDA SUBMISSION**  
**February 28, 2023**

**AGENDA ITEM**

**APPROVAL OF HOLI FESTIVAL PICNIC LIQUOR LICENSE**

**DESCRIPTION**

The Council is asked to approve a picnic liquor license for the Holi Festival of Colors event at Stacy Park on March 4, 2023. The event is returning after a two-year hiatus due to construction in 2022 and the Pandemic in 2021. The annual Holi Festival is a City event co-sponsored with Fusion STL. The non-profit organization Himalayan Family Healthcare Project (HFHP) is the organization requesting the license and responsible for alcohol sales at the event. This is the third event in which HFHP has participated. Age will be verified and persons 21 years and older will be given a wrist bracelet. HFHP has completed the City's license application and provided verification of their tax-exempt status.

At the time of this writing, the police department had not yet had an opportunity to perform the background check. Approval would be contingent on results of the background check.
