**RE: St. Louis Branch of Missouri Chapter APWA 2017 St. Louis Branch Award**

Dear Mr. McGregor,

Congratulations! I am pleased to inform you that the St. Louis Branch of Missouri Chapter APWA Award Committee has selected the Olivette City Center to receive the Public Works Project of the Year in Structures for 2017. This award recognizes an individual, team, or organization for excellence in management and administration of public works projects and the alliance between the managing agency, the consultant/architect/engineer, and the contractor who, working together as a team, complete public works projects. As part of your award, United Construction, Archimages, Inc., and the City of Olivette will be presented with a plaque.
