

City Manager's Report

City Council Meeting
08/14/18

Work Around Town

Camp

Summer Camp and Little Olives Camp are both in their last week.

CALEA

Lt Wolf and Sgt Andreski are attending their first CALEA conference. This conference will better prepare the City for the accreditation visit what will take place later this year.

Demolition Request for Proposals – 1125 Dielman Road

Proposals for demolishing 1125 Dielman Road are due July 26. Representatives from four companies came to the mandatory site visit.

Work Around Town

Economic Development

EZ Storage will begin site work at 9538 Olive Blvd in the next several weeks.

Epstein Hebrew School on Warson Road is for sale. Staff spoke with a representative of CBRE who is handling the sale. The school is looking for a new space in parallel with selling the current property.

In addition, staff has been meeting with representatives of PACE Properties, Balke Brown Transwestern, and Payne Family Homes. The immediate goal is to showcase to these developers, the opportunities that exists in Olivette. The longer-term goal is to continue to implement the ideas contained within the Strategic Plan.

Work Around Town

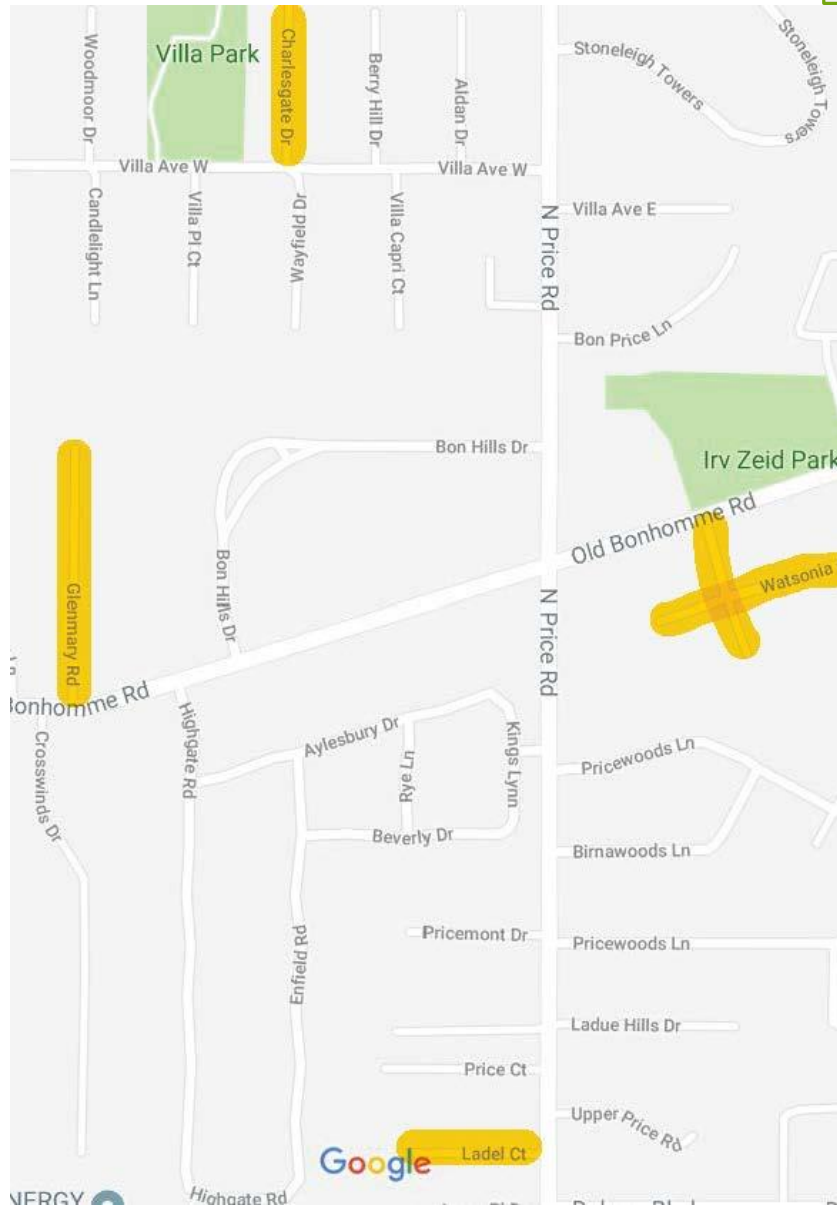

Missouri American Water Company – Price Road Project

- Water main work on Price Road south of Olive is 100% complete.
- The boring under Olive is complete, but new pipes are not in service yet.
- MAWC did not receive any bids for the paving of Price Road. It is unclear at this time how MAWC will proceed with the paving.

PW Director Bruce McGregor has been attempting to stay on top of this process, but communication has been difficult.

Missouri American Water Company – Other Projects

MAWC will soon begin additional smaller water main replacement projects.

Smaller Projects Include:

- Ladel Ct – (starting July 25)
- Glenmary Rd
- Charlesgate Dr
- Watsonia Ct
- Ziercher St
