Update

- **PerfectMind** – Park and Recreation software – setup of the new software continues with a goal of going “live” mid-February.
- **Govsense** – Financial – Planning software – First meeting with project manager was held today.
- **Centennial Greenway**
 - A “preferred” route has been identified.
 - Great Rivers
 - Greenway is now beginning some very preliminary engineering.

Update Continue

- **East Central Dispatch Center** – Facility Upgrades to the ECDC dispatching area are underway. ECDC is operating out of a temporary area during this project.
- **Transportation Management Plan** - Lochmueller is completing work on the plan and staff will meet with them early February.
- **Fire Engine Repairs** – One of the Fire Engines is out of service due to issues in the area of the frame where the water tank is attached. At this time we are still waiting on an estimate.
