Update

Summer Camp – Registration started yesterday (2/11) for our new Camp O. Registration is filling up quickly and people are very excited for the revamped camp!

There are more offerings for young people over the summer! Please check us out online!

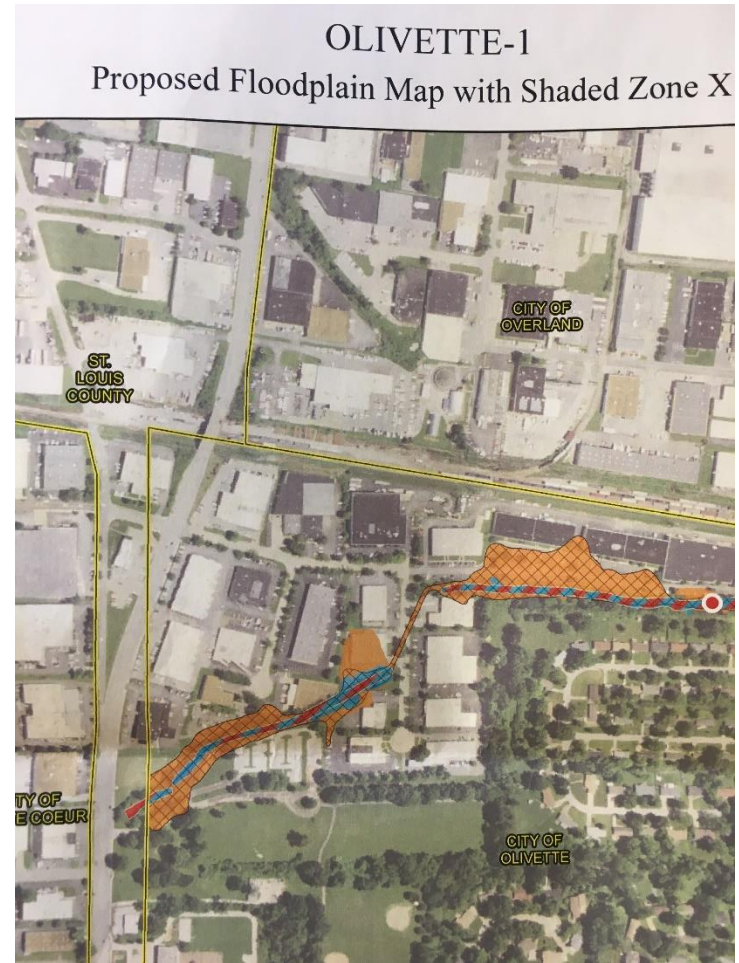

Update

SEMA Flood Maps -

Staff met with representatives from SEMA and their consultants working on new FEMA flood maps. The 100 year and 500 year flood areas have reduced in size, but some homes remain in the identified 500 year flood area.

Staff has asked for additional modeling of the area. Once that data is received, we will begin working with Council and impacted residents on a plan to move forward.

We were unable to locate the maps online, but once located, we will send out the link

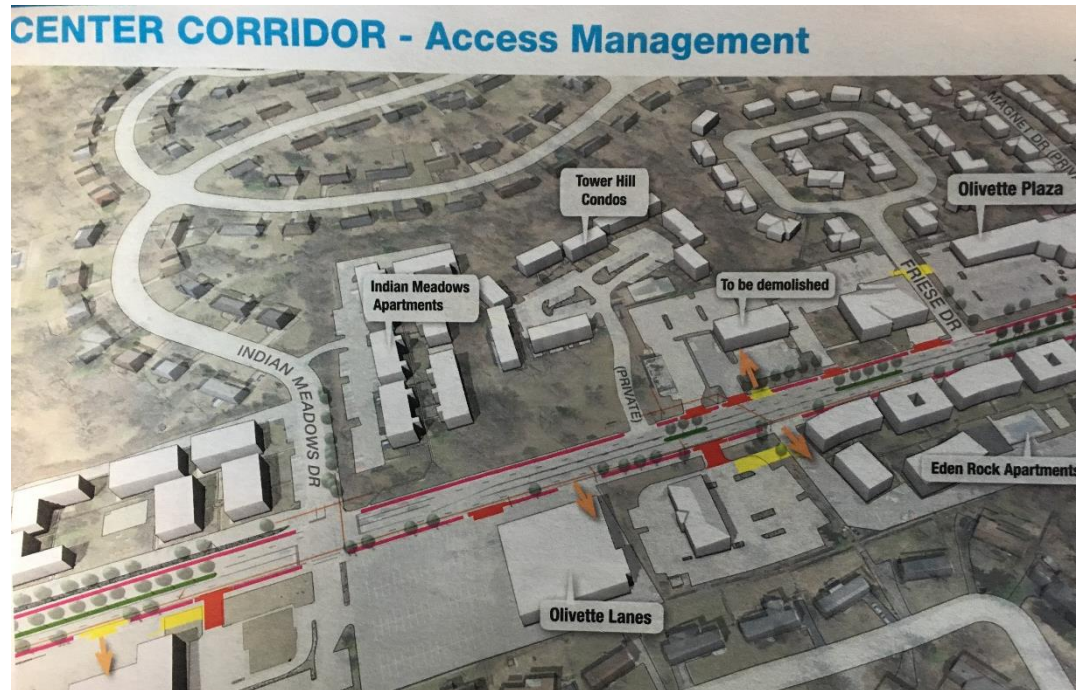

Transportation Management Plan

Staff met with Lochmueller Group to review their preliminary findings and suggestions for the Olive Boulevard Transportation plan.

We reviewed crash data, access areas, walkability, bus stop patterns, and existing conditions.

We then discussed possible opportunities to improve north-south connectivity, streetscape improvements, and possible access management ideas.

The draft plan will come back to both PCDC and the Council for comment.

RETIREMENT

After 38 years of dedicating service to the City of Olivette, Major James M. Roemer is retiring on April 5, 2019. Major Roemer joined the Olivette Police Department in March 1981.

Major Roemer is a graduate of the FBI National Academy, Session 219, and is also a Navy veteran.
