## **Dielman Road Project - Phase I**

- Construction on the Dielman Road Project has begun moving northward on the western side of Dielman. New sidewalk installation has begun.
- It is anticipated that Dielman Road will need to be closed for a minimum of two days when replacement of a stormwater system near High Acres occurs.

# News from Grandview

## **Park Master Plan Implementation and Community Center**

Last week staff spent five hours with KAI (engineers working on the Parks Master Plan/Community Center) discussing current operations, future operations, the Park Master Plan and possible services in a Community Center. KAI will use this information to continue to hone the park and center plans.

Staff met today with representatives from Kiku Obata on the wayfinding project. The firm is working on signage concepts and locations.
