

# City Council Report

November 12, 2019

## Dieleman Road Phase 1

- ▶ Concrete work is complete
- ▶ Milling and Paving is scheduled to occur the week of November 18 - Dependent on weather
- ▶ If Milling and Paving is not accomplished, they will fill and pave the shoulder prior to closing down for winter.

## Winter Weather Preparations

Remember no parking on City streets during ice storms or snow accumulations of 2 inches or more.

# Implementation of Parks Master Plan and Community Center

Council, Park and Recreation Commission, and staff continue to work on implementation of the Park and Community Center Improvements.

KAI presented the conceptual plans for a new Community Center and staff has worked to identify ways to keep project costs down.

The Council is now reviewing plans and implementation costs, prior to announcing a bond vote on the improvements.

The City of Olivette is fortunate to have over 100 acres of park land and a community that's been in use for over 50 years. Improvements today will allow for more efficient use of these assets.

# City Happenings

- ▶ Assistant Park and Recreation Director - Don LaChance will begin in the new position of Asst Park and Recreation Director on December 2. Don comes with 19 years of experience.
- ▶ Preliminary Audit results for Fiscal Year 2018 will be ready for Council review at the December meeting. The Finance Director is currently working on the Management Discussion and Analysis section of the report.
- ▶ Department Head meetings to discuss Key Performance Indicators.

Police and Fire Personnel are participating in No Shave November. This “hairy” event happens each November with the greater purpose being to raise awareness (and money) for Cancer Research.

This year’s participation is being done in honor of a City employee.
