

ANNUAL SPRING BULK COLLECTION

In partnership with Republic Services, the City of Olivette will now hold an annual spring bulk and large volume collection. The spring collection will be the only large volume collection each year. **The collection period will begin the week of Monday, April 20th, 2020.**

- Appliances are NOT accepted during this collection, see appliance collection procedure below.
- All loose items must be bundled and not be longer than 3 feet in length.
- Please do not mix yard waste or recycling with trash.
- If you have items weighing more than 50 lbs. or items that will require two people to handle, please call Republic Services at 636-947-5959 in advance.
- The items you wish to be collected must be placed at the curb by at least 7:00 a.m. of your designated collection day.
- Paint, fuel, oil, tires, construction waste and any hazardous material will NOT be collected.

If you have any questions please call Republic Services at 636-947-5959.

Appliance Collection Procedure

Appliance collection is on Thursdays. The request must be called in at least 24 hours before the collection day and the \$25 pick up fee per appliance is required in advance. To schedule your collection please call Republic Services at 636-947-5959.
