

City Council Report

October 27, 2020

Dielman Road Phase II

Storm and Sanitary lines are 90% complete. Sidewalks and curbs south are mostly complete. Hoping to pour the concrete deck next week.

Other Updates

City has received 50% of the CARES funding from St. Louis County (approximately \$266,000). These funds are to reimburse the City for COVID related expenses

Planning and Community Design Commission continues to review and discuss topics concerning Urban Farming

Firestone has been back at the PCDC for updates on exterior materials

Ridgehouse continues construction of The Oliver.
