KEY POINTS OF COLLECTION SERVICE

Trash is offered once per week and includes yard waste and recycling. Republic Services provides a 90-gal trash cart, and a 65-gal recycle cart to the residents. Republic Services can deliver, exchange, repair and remove these carts. Additional carts and backdoor service are available at an additional charge to the customer.

HOLIDAY WEEK COLLECITON

On certain holidays your collection day may be offset. Republic Services calls customers in advance of the holiday and you can check [the schedule with their online schedule tool \(click here\)](#)

CART PLACEMNT

See page 5 for cart use instructions

TRASH

Trash collection is limited to 90-gallon cart capacity. Additional items placed at the curb will not be collected except on your last collection day of the month when 2 additional bagged items may be placed at the curb for collection.

RECYCLING AND HAZARDOUS MATERIALS

Recycling is limited to cart capacity which can be upgraded to a larger size by contacting Republic Services (fees may apply). See page 6 for single stream recycling guidelines. For electronics recycling [please visit e-cycle Missouri](#) for more information.

St. Louis County offers additional waste disposal services through the [Household Hazardous Waste Program](#).

ANNUAL BULK PICK-UP

Bulk pick-up is 3rd full week of April and there is no limit (some restrictions) on bulk items during the week. See page 5 for more information **CONSTRUCTION MATERIALS ARE NOT INCLUDED**

If you have construction materials, please contact Republic Services to have the Route Supervisor give you an estimate for collection. There is a ~~MINIMUM~~ \$50 charge that needs to be prepaid with a debit/credit or payment mailed in prior to scheduling.

APPLIANCES

Appliance collection is limited to 2 items on Tuesdays, Wednesdays and Fridays. The request must be ~~called in at least~~ 24 hours before the collection day and the \$25 pick-up fee per appliance needs to be paid in advance. To schedule your collection please call Republic Services at 636-947-5959.

HANDICAPPED SERVICE

Special consideration for handicapped residents is available for trash and recycle: however, it requires a doctor's note. Republic Services will then pick up trash and recycle from the provided carts at the house, but they must be placed at the front of the house near the driveway visible from the street.

CURBSIDE PLACEMENT AND CART USE INSTRUCTIONS

Place cart one foot from the curb or edge of the street. Garbage should be bagged and tied, then deposited in your cart. This practice will keep your cart cleaner. Please place your cart at least three feet from any tree, pole, fire hydrant, etc. and at least five feet away from any cars parked in the street so the automated arm can reach your cart.

- Do not overload the cart. If the lid is not closed, garbage will be subject to wind and nuisance animals.
- Please do not lean anything against the cart.
- The arrows on the lid of the cart should face toward the street; the handle should face toward your house.
- Your cart should be placed at the curb or edge of the street prior to 7 a.m. the day of collection.
- The emptied cart should be removed from the street the same day.
- The emptying of your cart is guaranteed ONLY if placed for collection on the correct day and time. Republic Services cannot be everywhere at 7 a.m., but they can be anywhere, and that may be in front of your house.
- Yard waste may NOT be placed in trash carts. State law requires that yard waste, which is compostable, not be mixed with garbage.
- Do not put dirt, sod, or rock in the cart.
- Do not put flammable material such as oil, gas, paint, hot ashes, or coals in carts.
- Do not put muriatic acid or other pool chemicals and supplies in carts. These can cause chemical reactions in your cart and in the collection, trucks leading to fires and dangerous toxic fumes.
- Do not put debris from construction, remodeling or demolition in the cart.
- Please do not paint names or addresses on your cart. Each cart is the property of Republic Services and has been embossed with a serial number. If a resident moves from their current address, the cart remains at the residence that matches its serial number in Republic Services' system.
- Your assistance in caring for the cart will help control operational costs and keep expenses to a minimum. We encourage you to rinse the container occasionally with a garden hose and mild detergent. Ammonia cleaners discourage animals. The practice of placing trash in garbage bags, then into your cart, will reduce the frequency of cleaning maintenance.

ANNUAL BULK PICK-UP

The annual bulk pickup is during the third full week of April on your regular collection day.

Appliances are NOT accepted during this collection, see appliance collection procedure below.

All loose items must be bundled and not be longer than 4 feet in length.

Please do not mix yard waste or recycling with trash.

If you have items weighing more than 75lbs or items that will require two people to handle, please call

Republic Services at (636) 947-5959 in advance so they can send appropriate manpower and equipment.

The items you wish to be collected must be placed at the curb by at least 7:00 AM of your designated collection day.

Paint, fuel, oil, tires, construction waste and any hazardous material will NOT be collected.

If you have construction materials, please contact Republic Services to have the Route Supervisor give you an estimate for collection. There is a MINIMUM \$50 charge that needs to be prepaid with a debit/credit or payment mailed in prior to scheduling.

If you have any questions, please call Republic Services at (636) 947-5959

Appliance Collection Procedure

Appliance collection is on Tuesdays, Wednesdays, and Fridays. The request must be called in at least 24 hours before the collection day and the \$25 pick-up fee per appliance needs to be paid in advance. To schedule your collection please call at (636) 947-5959.

RESIDENTIAL RECYCLING

ALL RECYCLING MUST BE IN THE CART AND PLACED AT THE CURB BY 7:00AM OF YOUR COLLECTION DAY

The City of Olivette has been a leader in single family residence recycling for many years. Residents can upgrade their recycling bins from 65 gallons to 90 gallons by calling Republic Services at 636-947-5959 (fees may apply).

To receive more recycling information, contact the Public Works Department at (314) 993-0252.
