

2022 CURBSIDE LEAF COLLECTION GUIDELINES

The City of Olivette provides curbside leaf collection for residential properties through service contracted with Hendel Lawncare, Inc. The first of four separate passes will begin during the first week of November per the published schedule.

- **PLEASE DO NOT ALLOW CHILDREN TO PLAY IN LEAF PILES!**
- The leaf vacuuming process will create dust and a small amount of leaf debris. The City and Hendel Lawncare is not responsible for dust on vehicles or other items of personal property.
- For fire and life safety issues, **DO NOT** pile leaves protruding into the street or on sidewalks. Leaves must be placed on the lawn side of the street and not onto the street. Leaves should be in open areas, and not under bushes, trees, or mailboxes to allow equipment access.
- Please remove rocks, bricks, glass, branches, and any other hard materials from your leaf piles. Leaves are collected with a special vacuum designed for leaves only. Other materials can damage equipment and/or cause injury to crew members if mixed in with leaves. **Leaves mixed with other material will NOT be collected.**
- Republic Services will continue to provide weekly yard waste removal. Leaves and other loose yard waste should be placed in containers or paper bags at the curb before 6:00 AM. on Wednesday of each week.
- The schedule lists the date leaves must be out by. Every attempt will be made to maintain the schedule, but residents should be prepared for delays due to inclement weather. If leaves are put out after the final scheduled pass you can pay for a late pickup by contacting Hendel Lawncare at (314) 863-1420.
- Piles blocked with parked cars will not be picked up.

Do	Don't		
Rake leaves to the curb by the night before your section start date.	WAIT UNTIL THE LAST SCHEDULED PASS TO PLACE LEAVES FOR COLLECTION.		
Rake leaves to the edge of the curb	Do not rake leaves into the street or in front of/around hydrants		
Keep your piles long and narrow; the equipment will reach only 6 feet into your yard.	Do not place leaves in plastic lawn bags		
You may cover leaves with a tarp to contain them during windy or rainy periods – please be sure they are visible to crews	Do not allow children to play in leaf piles and do not park vehicles or leave other equipment in or around leaf piles (rakes, etc.)		
On streets without curbs residents should place leaves at the edge of the street	Do not place leaves in front of or next to storm drain inlets. Where possible leave a gap between leaves and the curb line to allow water to flow unrestricted into the storm drain inlets.		
Place your leaves out for collection as early as possible. Waiting for the final collection pass can slow the collection process if there is inclement weather.	Please do not mix leaves with:		
	Trash	Shrub Clippings	Other yard waste
	Branches	Vines	Dirt or rocks
	Tree Limbs	Grass Clippings	

Please contact the Public Works Department at **314-993-0252** if you need additional information.

AFTER THE VACUUM HAS PAST ON A SIDE OF A STREET WILL NOT BE PICKED UP UNTIL THE NEXT SCHEDULED DATE.

ALL DATES MAY CHANGE OR TAKE LONGER TO COMPLETE DUE TO WEATHER CONDITIONS.

Residents who choose to place their leaves behind the curb prior to the collection dates are asked to maintain the piles as close to the curb as possible. Residents may also take advantage of the Wednesday yard waste collection service by collecting leaves in bags or containers to be picked up at the curb by Republic Services. Be sure to check the list of approved containers by reviewing the Refuse Collection Guide.

Spring leaf collection will be performed by the Wednesday yard waste collection service only.

If you would like additional leaf collection, please contact Hendel Lawncare at **314-863-1420** for fee and schedule information.

Be Respectful of Fellow Residents!

Please contact the Public Works Department at **314-993-0252** if you need additional information.
